# The Private School a Great Influence in the Moral and Religious Life of Your Children

Many a mother and father is thankful because they were far-sighted enough to send their boys and girla to a first-class private school.

AS ONE FATHER SAID TO US: "We could scarcely believe that James could have developed so in one short year. His whole attitude has changed; he treats his sister and mother with more respect; he seems so much more manly and gentlemanly, and in every way he is becoming more and more what we want him to be."

THIS TELLS THE STORY. Send your boy or girl to a private school where they will be away from the evils that confront them when they are thrown among so many kinds of people every day. Send them where they will be inspired to better things. It will develop their characters,
