"It' wouldn't be a bad idea," said the boy's father, "if you did a little work during your summer vacation. You surely don't need three whole months to rest up after the little work you did at college. When I was your age I earned enough during the summer to pay my college expenses."

"Yes," replied the boy, "and look at the result. You can't play tennis at all, your golf is a loke and you don't know as much about Ty Cobb's bat-ting average as the lowest-paid office in your establishment."-Exboy change.
