Do you want reliable and comprehensive information regarding the many convents, academies and colleges of the East?

Our Catholic School Expert has personally visited these institutions of learning. He has studied them at close range and is conversant with their plans and methods of instruction. The environment peculiar to each school has been given careful attention, in fact every point has been taken up so that the information is at once personal and complete. ¶ It is a difficult matter to secure this information from a catalogue and select the desired school or college to meet the peculiar requirements of each boy and girl. ¶ You are invited to discuss your school problems with the Ledger man who knows. ¶ Make an appointment with him—by mail or phone—at LEDGER. CENTRAL at any time convenient to you. Knowing the kind of training needed, general location preferred and expense limit, by a quick process of elimination the ideal school desired will soon develop and assume a definite name and location.
