PHILADELPHIA BALL PARK, Sept. 8.-With Chalmers pitching great ball and the heavy artillery back in form, the Phillies administered a crushing defeat to the Glants this afternoon before 10,000 fans. The final score was 9 to 3.

The Giants played a headless, listless game, while the Phillies looked very much like they did before the disastrous trip to New York and Brooklyn.

Ritter, the former Phillies' pitcher, was greeted with a fusilade of hits, but Mc-Graw kept him in the game until he filled the bases with passes in the fourth ipning, when he was replaced by Schuppe. The latter and Perritt held the Phillies in check for the balance of the game.

Burns hit the centre field wall for two bases. Grant lifted a short fly which Whitted pulled down. Jacobson fanned. Doyle amashed one between Crayath and Paskert for a double, scoring Burns. ### GERMANY HANDS REPLY ON ARABIC

By CARL W. ACKERMAN

BERLIN, Sept. 8. Germany's note to the United States, with regard to the torpedoing of the liner Arabic, was delivered to Ambassador Gerard last night.

The contents have not been made public. It is understood, however, that the note contains the substance of the report of the commander of the submarine that sank the Arabic. The submarine commander jastified the attack on the White Star liner on the ground that he feared his vessel was about to be rammed and shot a torpedo in self-defense.

No official statement on this point has been given out by the Admiralty. But it is understood here that the report of the commander of the U-boat that sank the submarine was received a few days ago. This disposed of reports from English sources that the submarine had been sunk or captured. .

The Government was disposed to proffer an explanation to Washington on the Arabic incident as quickly as possible, to clear up any misunderstanding that might remain after Ambassador Bernstorff's statement to the American State Department. The note as completed is con-

The slain man's body was found in the quarry two weeks ago by a 12-year-old boy playing there was companions. Ever since that time strict secrecy has been imposed on all persons who knew of the finding of the body, and not until today did the public have an inkling of the fact that Lichtenwalder had been murdered.

In the hand of the dead man was a revolver, in which were four loaded cartridges and one that had been exploded There was a single wound on the tem-ple. Everything pointed to suicide, but the insistence of Mrs. Lefanus Lichte walner, of Cetronia, mother of the young man, that her son had been murdered, led the police to this theory. Their efforts bore fruit today in the arrest of John and William Mack, brothers, who are accused of the murder. John Mack lives at 1041 Lawrence street, and his brother on the Kline farm in Salisbury township, where he is employed.

SEEN LAST ON TROLLEY CAR. Lichtenwalner, who was employed as a bookkeeper in the office of the Allentown Steam Heat and Power Company, was at work Monday, August 23. In the after-noon he attended a moving-picture show and later was seen on a trolley car. It was his custom to return to his home in Cetronia on the 5 o'clock car bound for Kutztown. He was never seen alive again æfter he left Allentown.

This afternoon the dead man's watch was found in one pawnship and the charm and chain in another. John Mack had pawned the jewelry, it was learned, whereupon the police went to the Kline farm, where the accused man was working in a field with his brother, and ar-rested him. When he was brought to the police station, Mack declared he had pawned the watch, cliarm and chain for \$5, but declared his brother William had stolen the valuables from Lichtenwalner. Chief of Police Bernhard, Sergeant Roth and Detective Nixon returned to the Kline farm to arrest William Mack. When he saw them coming he dashed the farmhouse and attempted to

Mrs. Lichtenwainer offered a reward of \$50 for information leading to the recovery of her son, and when the police asked William Mack why he did not tell of the discovery of the body and get the reward, he would not answer.

Peterson, Held as Witness, Gives New Angle to Mystery

HUGE PROFIT EXPECTED

A woman was a "silent partner" of Samuel S. Cord, the wealthy Laurel Springs, N. J., real estate promoter, whose bullet-riddled body was found in a gully beside River road August 31, and of Olaf Peterson, his partner, who is detained as a "material witness" by the Camden County authorities who are endeavoring to unravel the mystery.

This statement was made today by Olaf Peterson, in the first interview which has been obtained from him since the day he was arrested on a John Doe warrant. Peterson, with more than a week's beard on his round face, was plainly worried by his detention, but reiterated his innocence. The woman is a Mrs. Sprague, of Somers Point, N. J., said Peterson. It was she who at Cord's suggestion mortgaged her home and who was to share in the \$1,000,000 profits which Cord and Peterson expected from a Florida land
