clous or morbid," she declares. She live lieves that the comedy, the truly American play, will become unwholesome unless steps are taken to prevent it. Miss Irwin expects to be installed in er new theatre early next season, according to her business representative, Edward Damon, who is here looking for a suitable location. He is connected with

will invite manuscripts from student playwrights, with a view to building up interest in the stage and causing the larger colleges to add playwrighting courses to their curricula.

67,000 PUPILS ENTER PAROCHIAL SCHOOLS

Day Devoted to Enrolment. Religious Services Precede Opening

Sixty-seven thousand boys and girls be-gan work today in the parochial schools, 98 in number, throughout the city. The majority of the schools were opened

penterday, but no formal lessons were provided, the session being devoted for the most part to enrolment and organization. Before assembling in the schoolrouns the children gathered in the churches for

Mass. In some cases brief sermons were preached to the boys and girls on their duties as Catholics and as scholars. duties as Catholics and as scholars.

The enrolment at the Catholic High.
School for Girls exceeded 800, according to
the announcement of the Rt. Rev. Monsignor Philip R. McDevitt, superintendent
of parish schools. The Boys' Catholic
High School was formally opened a week
ago, but the term was actually begun this

morning.
A large attendance was recorded at the child Jesus, Broad and Duncannon streets. This is a new institution, and an important addition to the Catholic educational system of Philadelphia.

Methodists' Visitation Program

The winter program of institution visitation was arraigned at the first meeting of the season of the Philadelphia Preachers' Association, held at the new Methodist Building, 17th and Arch streets, last night. Each of the 70 clergymen in attendance received his assignments. The Rev. Dr. George W. Izer reviewed the record and the prospects of the association in the principal address.

Normal Commercial Courses

More than three hundred high schools organized commercial departments during the year 1914. The demand for teachers of commercial subjects is much in excess of our supply.

The Normal Course prepares for State Board Examinations and is standardized to the requirements of the State Superintendent of Public Instruction. All graduates from this course have passed the State Board examinations and received appointments immediately as teachers of commercial subjects in high schools.
