WSINESS HUMS IN WILMINGTON

her permits issued during the present at with an appregate value of \$2.26. As proper records were not kept for years, no comparison can

of the largest plants in Wilmings is the leather factory of F. Blumen-et 2 Co., who make all kinds of leather men's and women's shoes. They em-ter more than 1990 persons, and, at presat are running to full capacity. This an increase of about 2 per cent. in inst six months. At the outbreak of war they had some difficulty getting sterial from abroad, but that condition adjusted itself. They find no difficient nobtaining all the labor they need, conditions in this plant are typical these prevailing in the 15 other leather with minimum terms.

tha in Wilmington.
The Electric Hose and Rubber Comsign, manufacturers of garden hose, the
track plant of its kind in the world, is
nother of the city's prosperous indus-Their annual output amounts to bout \$1,000,000. They export to England, butralls, South Africa, Continental Eu-sur New Zealand, Chill, Argentine and rest. They employ 250 persons, and are sking day and night on rush orders.

E. Ebert, secretary and treasurer of
company, says the war at first had
aerimental effect on their business, as ot off all their trade with Continental esated for by an increased domestic

sees in the last six months.

Indirectly, the war has had a favorable bet on the business of Benjamin F.

A. Co., steam and pipe fitters. Mr. s says he employs about 1800 men in various plants and other work at ent. He contracts with the du Pont pany for all their requirements in his and also has the contract for the emeter Arms Company buildings at laystone. He says the new plant being sted by the du Pont Company at City and, Va., is the largest of the concern's ctories. Mr. Shaw is optimistic as to a future when the war is over. He sims that this country will be called ims that this country will be called gen to build up and repair the greater tof the destruction caused by the war, also has adopted a profit-sharing plan th his employes. Some of his fitters, he greaters in his employ receiving \$15,-a year. He does not anticipate water and in the war.

early end to the war. The machinists' strike does not affect Shaw's company as his men have the

INJURED BY STRIKE

Pasey & Jones Company is one of the e concerns most soriously affected by machinists' strike. They are ship engine builders and the manufacture special and other machines. Sterling Thomas, president of the company, see no very bright future for indusne no very bright future for indus-rial prosperity in the United States when he war is over. He says he admires op-mien, but it must be based on cold as Mr. Thomas takes issue with solilons who go up and down the length of breadth of the land, with statements don't the great business boom which is smill to this country when the war is set. He claims such statements are missing to labor, which quotes these men ar tank steamboats are being built in

e yards of Harlan & Hollingworth for English tirm, it is said. Two of them to be used in the Mexican oil trade. In it is claimed, is the first ship build-g order placed by an English concern taide Great Britain, at least for many

in normal times employs about 459 us; at present is working 300. Bethe war broke out it had a good bustther is completely cut off. Since April ore has been a gradual improvement in the business of at least Z per cent, and improvement continues with a fairly outlook for the future. About 80 per at of their business is domestic. This one of the few industries in Wilmingadversely affected by the war, but the M, will soon offset any falling off on

March. Deposits, including savings banks, show an increase of a 12,000,000 in the same time. Postal sings for several months have shown increase of \$5000 per month, while those september show an increase of over The total postal savings are over 200, an increase of 100 per cent. in the 20 months.

PREDICTS END OF LABOR WAR. the most serious drawback to the othis the labor attuation. John H. day, president of the Central Labor ion, says 1000 machinists and 123 were employes are out on strike. The mists demand an eight hour day. are not asking for an increase in the same hours they formerly had.
