Electors in 7th Ward Show Their Resentment Against Councilman

Belect Councilman Charles Seger was bitterly attacked in his home ward at a meeting conducted by the 7th Ward League of the Women's League for Good Covernment at the corner of Broad and Lombard streets last night. The Issue was housing and Seger's efforts to block plans to improve conditions in the 7th and other wards.

A striking poster assailing Seger was discussed among the crowd of 600 which attended the meeting. It was addressed the Voters of the 7th Ward" and

"Do you know that the death rate in the 7th Ward is 50 per cent, greater than in the city as a whole?

"Do you know that the death rate among babies in the 7th Ward is nearly twice as high as in the city as a whole?
"Do you know that there are more than twice as many cases of tuberculosis in proportion to population in the 7th Ward

in the city as a whole? "How far is this due to bad housing conditions, to the underdrained alleys, to open vaults?

about this bad housing and high death rate?—Select Councilman Charles Seger. "Councils under his direction have defied the Legislature and persistently refused to carry out the housing laws.
"What are you going to do about it?

"Save the babies, Work for Good Gov-"Defeat Seger." George D. Porter, Franklin party can-
