This 13-atory concrete and sized fireproof structure reaches the highest point of development as yet attained in apartment construction, and may be properly styled a perfect place of abode.

An expuest effort has been made to offer a matchless home to those whose first consideration is not to count the cost alone, but to procure that which they desire, where there is only perfection, the size, and character of which may be selected and shaped according to the distinctive requirements of the individual.

Sultes are arranged from two rooms and contain the continuity of the selected and the procure to the business and shapping centres and yet not too near.

All things considered, the rentals are moderate.

Further information, arrangements, for inerate. Further information, arrangements for in-spection and reservations may be made
