N. E. CORNER ITTH AND WALNUT STS. N. E. CORNER 17TH AND WALNUT STS.

This 13-siery courrets and steel firsproce structure reaches the highest point of davelopment as yet stained in apartment construction, and may be properly styled a perfect place of abode.

An earnest effort has been made to offer a matchiese home to those whose first consideration is not to count the cost atome, but to procure that which they desire, where there is only perfection, the size and character of which may be selected and shaped according to the distinctive requirements of the individual.

Suites are arranged from two rooms and one bath to ten rooms and the baths.

The location is excellent, being convenient to the business and shopping courses and yet not too hear.

All things considered, the rentals are modall things considered, the rentals are modpurches information, arrangements for inspection and reservations may be made through
