"Danny" McNichol's Playing Features in Victory Over Darby

OTHER SCHOOL NEWS

La Salle College students are confident that their team will make a good showing in the series of games for the Catholic schools basketball championship of the city. This belief was strengthened by the result of the contest with Darby High School yesteriay afternoon at Darby, when La Salle College won by a gore of 25 to 13. Darby ligh has one of the strongest teams in the Delaward County High School League.

County High School League.

It was a very rough game, in which Is Salle got in some very clever team work. Dampy McNichol, the forward, showed brilliant form. He had five field goals and five foul goals to his credit when time was called, or more than half the points made by La Salle. Ruf, Pannillo, Gillespie, Connelly and McNichol all showed splendid team work. Ruf, who tallied three field goals, although playing a guard position, was one of the leaders.

Darby High was by no means out-classed in the game with the La Salle collegians yesterday, for the content was much closer than the score surgests, though Darby players admit it was the roughest game they have taken part in for some time. Fearl, Forbes, Carpenter. Spahr, McDougall, Mondroy and Captain Frauton all got in the fray and worked hard for victory.

"We need a good coach but one who-has business interests, so that he will find it necessary to devote only a part of his time to football work. Annual Basketball Game Will Be Played in Weightman Hall

GREYS BEAT TRENTON

warthmore and Pennsylvania will meet n their annual basketball clash in Weight-man Hall this evening.

While Permsylvania is a factor in the intercollegiate League this is really the big" game of the Red and Blue season. It is the most important contest on the Swarthmers schedule also, Both have greatly improved teams over last year. Swarthmore has beaten Pennsylvania six times in the last seven games, the Garnet team losing last year by three points. Swarthmore, as a usual thing, turns out fine basicetball teams. The one of 1914-15 was the weakest that ever wore the Garnet, but this year the squad is back again in high speed.

Pennsylvania, too, is a much bette team than last year. The Red and Blu is much faster and has better goal throwers. But the Penn team is light. Fou of the five Swarthmore players tower mor than six feet and are good basketbal players with it. The smallest man in the squad, is Harry, the captain. Last yea he played forward. He is now working at guard. Sproul, who played centre for fermantown Academy, 44 to 28, yesterday at guard. Sproul, who played centre for fermoon, when Captain Lardy Dayls,

### FULTON SHADES OLD PORKY FLYNN; HAS MUCH TO LEARN

Big Minnesotan Would Have Little Chance in Match With Champion Jess Willard

By ROBERT W. MAXWELL FRED FULTON has exploded. The Minnesota Glant, and several other things he has been called in the last few months since he broke into print as a challenger for the world's heavyweight title, put on his little act against Porky Flynn in New Orleans last night, and at the end it was decided that Mr. Fillen was an excellent plasterer and should pay up his back dues in the union. There should be plenty of work this spring.

It took 29 rounds to show the public that Fred is a white hope of the common or garden variety. He is just as good as Jim Savage, Al Reich or Tim Logan, and does his best work in the newspapersnot the boxing ring. Porky Flynn, the well-known trial horse, drouped Fulton in the fourth and sent him down on his hands and knees in the 12th. However, it must be said that Fred was the aggressor throughout and deserved the vertitle, put on his little act auxinst Porky gressor throughout and deserved the ver Het on his wonderful infighting-whatever

There is a windup—Jack McGuigan always sees to that—and Eddie Moy, late sparring partner of Freddy Weish, will meet Joe Azevedo, who made such a good showing last week.
