APARTMENTS

Centinued from Preceding Column

N. E. CORNER 17TH AND WALNUT STS.

This thistory concrete and steel firstrond structure reaches the hishest point of development as yet attained in apartment construction, and may be properly stylind a perfect place of abode.

An earment effort has been made to offer a matchiese home to those whose first consideration is not to count the root alone, but to precure that which those desire, where there is not) prefection, the size and character of which may be solected and character of the distinctive requirements of the individual.

Suites, are arranged from two recomes and one both to ten rooms and two baths, including several desirable backelor suites.

The location is excellent heing convenient to the business and shopping centers and yet not too near.

All things considered, the remais are independent.

Further information, arrangements for to-Purther information, arrangements for in-apertion and reservations may be made
