Unless every one agrees that it should be exhibited to the deneral public, it will be destroyed at once. Let us hope that there will be to dissenting vote, as I for one should enjoy viewing from my quarter seat in one of the picture palaces the antics of those of us who are fortunate enough to wear cool linens and sun hats while others shiver in furs and galoshes, and, with such a good-looking cast and pictwresque settings, I am quite sure the sittures will be entrancing.
