At the best the supply was limited, as indicated by the fact that the first transaction in May was 11.31, a loss of one point, and the demand carried this position up to 11.36 before the end of the call. The strong tone in the stock market had a favorable influence on sentiment. The market continued irregular, with sentiment very nervous in the afternoon. Prices had frequent rallies, only to sell off again under increased offerings from old longs and the South. Comparatively little spot news from private sources was in circulation, although one dispatch reported linters strong and active at Memphis. In the local trade Texas linters were offered landed at New York at 7½ cents, which represents an advance of about 1 cent over the recent low point. Victory for Arms of Their Native Land Predicted at Banquet to Star of Italy President

NEW ERA IS EXPECTED

The dawn of a new era for Italy, the birth of a new race of Italians imbued with vigorous new spirit, new thoughts and blessed with new opportunities as the result of the war in Europe, together with victory for the Allies and the final and crushing defeat of German militarism, were predicted last night at one of the most patriotic meetings ever held in Philadelphia.

adelphia. Three hundred Italian men and women, who assembled in the banquet hall of the Continental Hotel at a dinner in honor of Glovanni Ramagli, president of the Star of Italy Association, thundered their applause and some wept tears of joy, as the speakers painted in glowing terms the Italy that is to be when the smoke has cleared from the battlefields.

Italy's part in the war, which some speakers said had been inlaunderstood, was speakers said had been inisunderstood, was defended in emphatic terms. That nation, it was pointed out, far from conducting a selfish war, is daily giving the blood of her sons and breaking the hearts of her mothers and daughters, for the same ideals that inspired Garibaldi and Mazzini and for the same ideals for which the United States fought England more than a century ago.

Patriotism, kindled by the inspiring air

Patriotism, kindled by the inspiring air of the "Marcia Reale." burst forth when a call was made to drink to the success of the Italian arms. "Viva Italial" they cried time and again, while glasses were raised aloft only to be drained as if in taste of victory. Men embraced each other in several instances, and women wept—so deep was their emotion.

Mr. and Mrs. Ramagli received touching and flattering tributes. Mr. Ramagli has been president of the association for five years, and the speakers yied with each other in showering him with compliments in poetry and prose. Telegrams of tribute to him for the occasion, from Italians in other Eastern cities stacked the centre of the honor table.

Giovanni Di Silvestro took the banquet-ers by storm in what probably was the most forceful address of the evening.

LIST OF SPEAKERS.

The list of speakers included: Filippo Sinatra, master of ceremonies; Francesco Rizzi, vice president of the committee; Giuseppe Mercurio, Clarence P. Culin, Eugenio Alessandroni, Dr. V. M. Diodati, Gioachino Catone, C. Coco, Oro Benedetto and Vincent Majorine. detto and Vincent Majorine.

Innocenzo Ferrero was congratulated for his part in making the arrangements. The banquet was followed by a ball. An-nouncement was made by the toastmaster that the only sad feature of the celebration was the absence of Ernesto Vece, president of the committee, who received word yesterday that his father had died in Italy, Telegrams of con-dolence were sent to the family. Others on the committee were Pas-

'SMOKES' FOR BELGIANS DONATIONS GROW HERE

Many Contributions to Fund for Purchase of Tobacco For Men in Trenches

The campaign for the Belgian Soldiers Tobacco Fund, launched in Philadelphia with Drexel & Co. as depositories, has started with a boom.

From the national headquarters, Room 1310 Flatiron Building, New York, it is announced that the contributions already received amount to \$4106.02.

That means that more than 16,000 of the defenders of all that is left of Bel-gium, the "Sad Country," soon will be supplied with tobacco and cigarettes, from the lack of which they now suffer.

Francis R. Jones, organizing secretary of the fund, who came to Philadelphia to complete arrangements for handling contributions here, said today:

"The prompt and generous response to the appeal in behalf of the Belgian sol-diers seems to indicate that the American public is going to see to it that the com fort that the men crave and which their Government and friends cannot give them is going to be quickyy supplied by the generosity of sympathetic Americans."

All contributions should be sent to Drexel & Co., 5th and Chestnut streets, Philadelphia. Make checks payable to the order of the Belgian Soldiers' Tobacco
