This 13-story concrete and steel freprotstructure reaches the highest point of development as yet attained in apartimest
construction and may be properly styled a
perfect place of abode.

An earnest effort has been made to offer
a matchiesa home to those whose first consideration is not to count the cost alone,
but to procure that which they desire,
where there is only perfection, the size and
character of which may be selected and
shaped according to the distinctive requirements of the individual.

Suites are arranged from two rooms and
one bath to 10 rooms and five baths, including several desirable bachelor suites.

The location is excellent, being conventent to the business and shopping centres
and yet not too near.
