A VARIETY OF PICTORIAL SIDELIGHTS ON THE LATEST NEWS OF THE DAY FROM MANY SOURCES

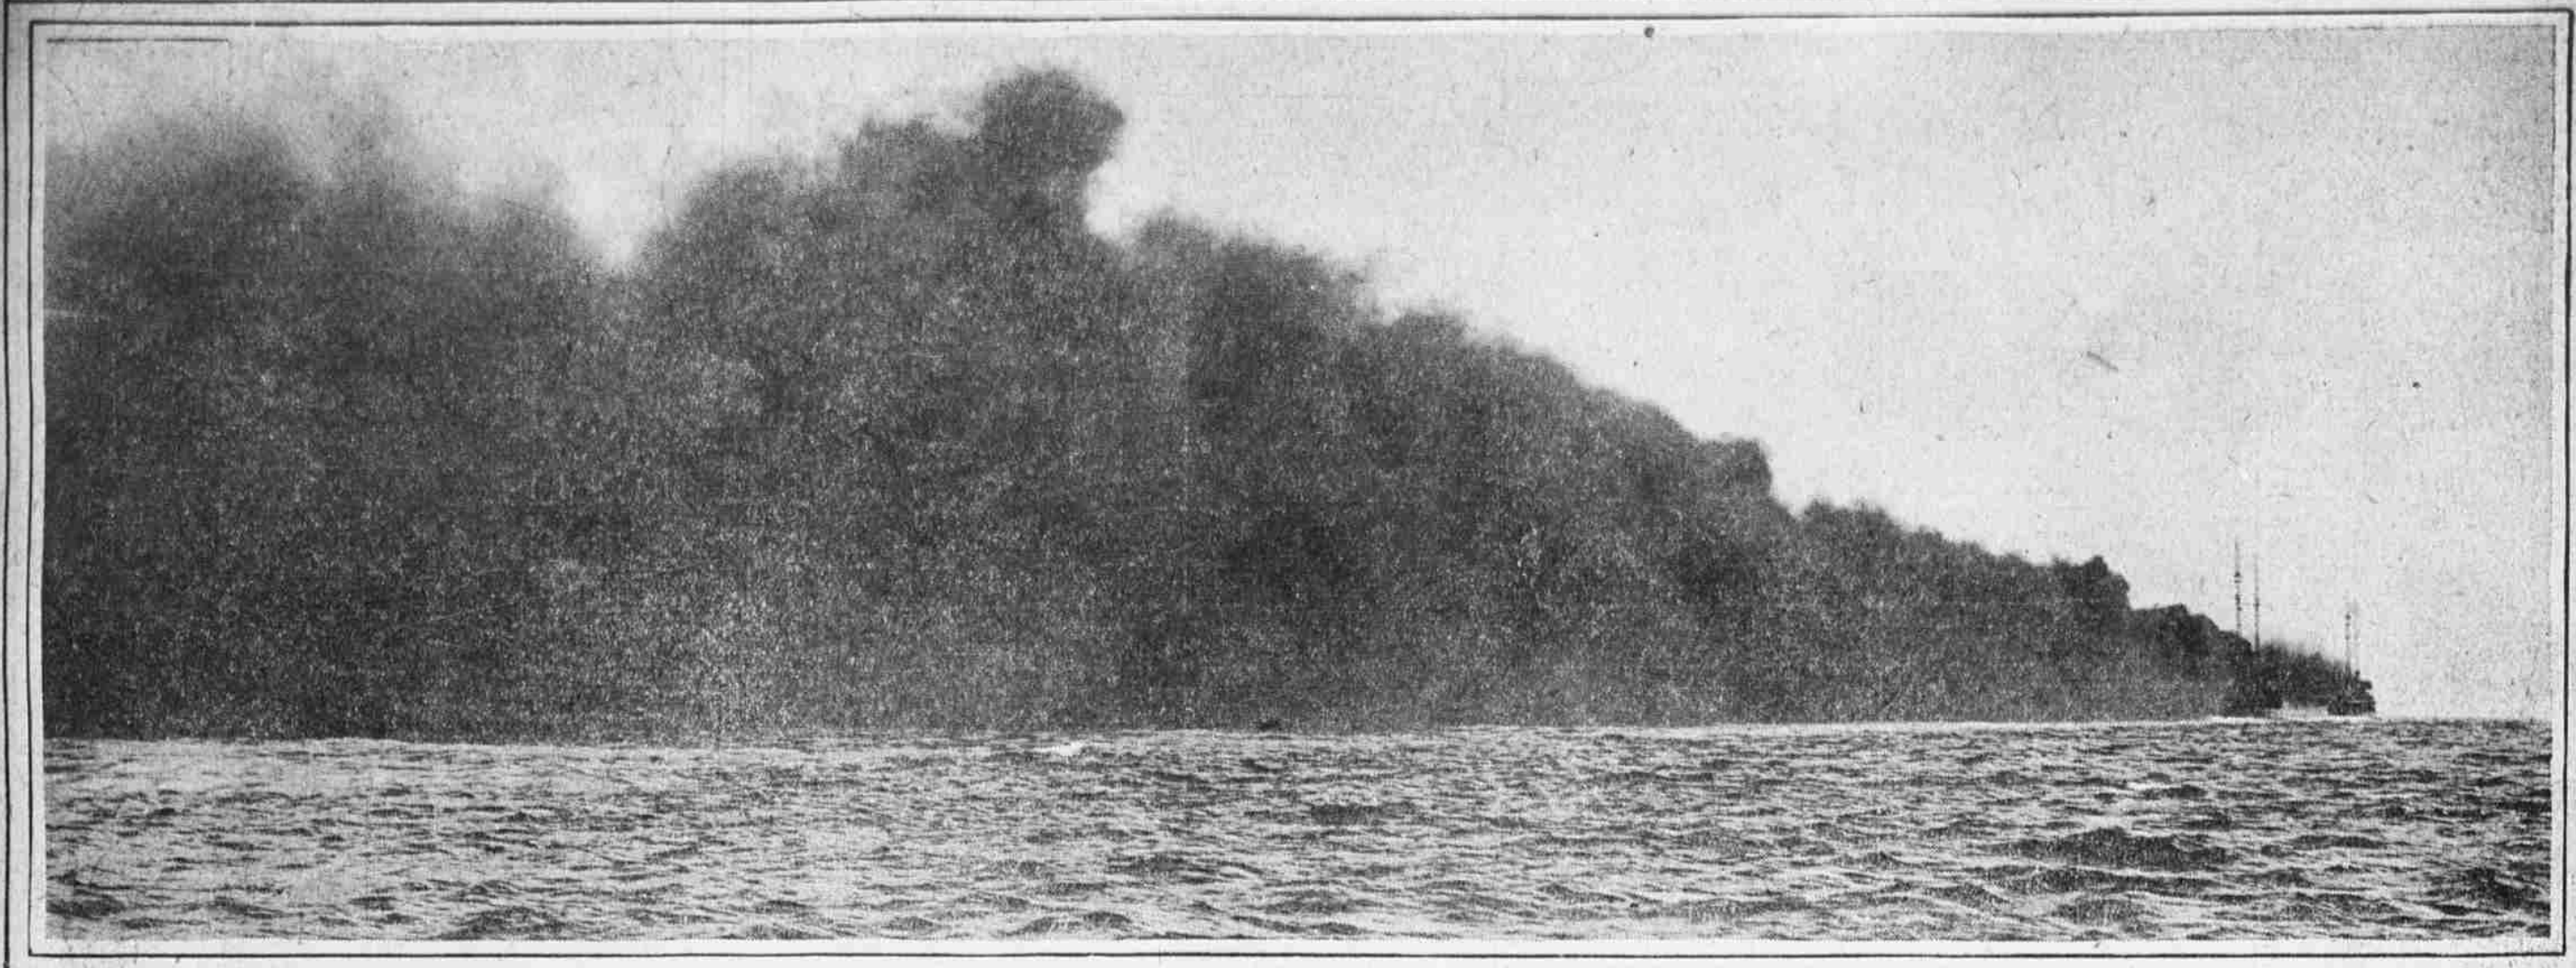

Photo by E. Muller, Jr.

UNITED STATES DESTROYERS MAKE TEST OF "SMOKE SCREEN" IN MANEUVERS OFF PACIFIC COAST IN EFFORT TO DEVELOP EFFECTIVE DEFENSE OF WARSHIPS FROM SUBMARINE ATTACKS
In the naval practice off San Pedro, Cal., this week, the cruiser Milwaukee and the tender Iris will be attacked by three submarines, while four destroyers will attempt to blanket the latter with such a cloud of smoke, as illustrated in this picture, that the submersibles will be unable to see how to fire their torpedoes.

BRONZE EAGLES ON CITY HALL TOWER MADE MORE SECURE
It has been found that the heavy ornaments attached to the dome by bolts have become loosened and are in danger of dropping on pedestrians below. Here are some of the steeplejacks who made the inspection.

IS THIS WHAT BROKE THE BUTTON OFF FATHER PENN'S COAT?
The statue atop City Hall has repeatedly been the target of lightning bolts, such as this, and the opinion has been hazarded that they may have been the cause of the damages to the tower just discovered by "Steeplejack" Hassler and his assistants. This photograph was made from Arch street.

FIRE THAT CAUSED THREE ALARMS TO BE RUNG IN
This abandoned factory building, 1010 North American street, which is a dangerous district for blazes, was gutted yesterday, but quick work by the Fire Bureau kept the blaze from spreading.
