when in this America of commercialization, you try to teach and develop the musical side of young Americans. Your lessons are ideal for both young and old. Allow me to compliment you on them—they are an innovation on the educational side of the modern newspaper."

With the aid of the Public Ledger's Free Piano Lessons you can learn to play the piano or organ whether you have a knowledge of music, or not. The lessons consist of a series of charts so clear, so easily understood, that any one can learn. Even Paderewski says they are "ideal." Get the first lesson. It may be the means of introducing you to all the joys of music. Order the first lesson now. It is given free, with
