U.S. Agriculture Department Estimates Poorer Condition. Plowing and Planting Late

A summary of the May crop report for New Jersey, compiled by the Bureau of Crop Estimates, of the United States Defrop Estimates, of the United States De-partment of Agriculture, and transmitted frough the Weather Bureau, shows a light falling off for most crops as com-ared with the average. The lateness of he plowing and planting season is espe-cally noticeable. The report follows:

When the vessel sailed from Philadel-phas are was in command of Captain Simmons and was to make the ports of Santiago, Cartagena and Puerto Colom-bia. Her cargo consisted of 500 cases of dynamite, 80 cases of rifle powder and 78 cases of gelatin. She also had 301 tons of iron water pipe for the Colombian Government, which was shipped from Florence, N. J. and is part of a large lot bought by that Government. ### CIVIL WAR PEACE REUNION FUND FAVORED IN COMMITTEE

House Advisers Will Recommend \$150,000 for Vicksburg Meeting '

WASHINGTON, May 19, — Another and perhaps the last big reunion of the dwindling voterams of the North and South, who were blitter enemies half a century ago, will take place on the bat-tlefield at Vicksburg, Miss., in October. The House Military Affairs Committee has decided to report favorably the bill in-troduced by Representative Sherwood, of Ohio, himself a veteran of the Union army, making an appropriation of \$150,-900 for the encampinent.

SEEKING NEWS OF CRAFT Vessel Sailed From This Port on April 22 With Explosives in Cargo

Shipping men here are at a loss to ac-count for the whereabouts of the Nor-wegian steamship Colombia, which sailed from this port on April 22 with a cargo of explosives and iron pipe. According to a message received at the local Hy-drographic Office, the vessel is now about a week overdue at Cartagena, Colombia, from Santiago de Cuba. Her owners have requested all craft to keep a lookout for her.
