GRAPHIC NOTES AND COMMENT ON THE VARIED NEWS OF THE DAY AS RECORDED BY THE CAMERA

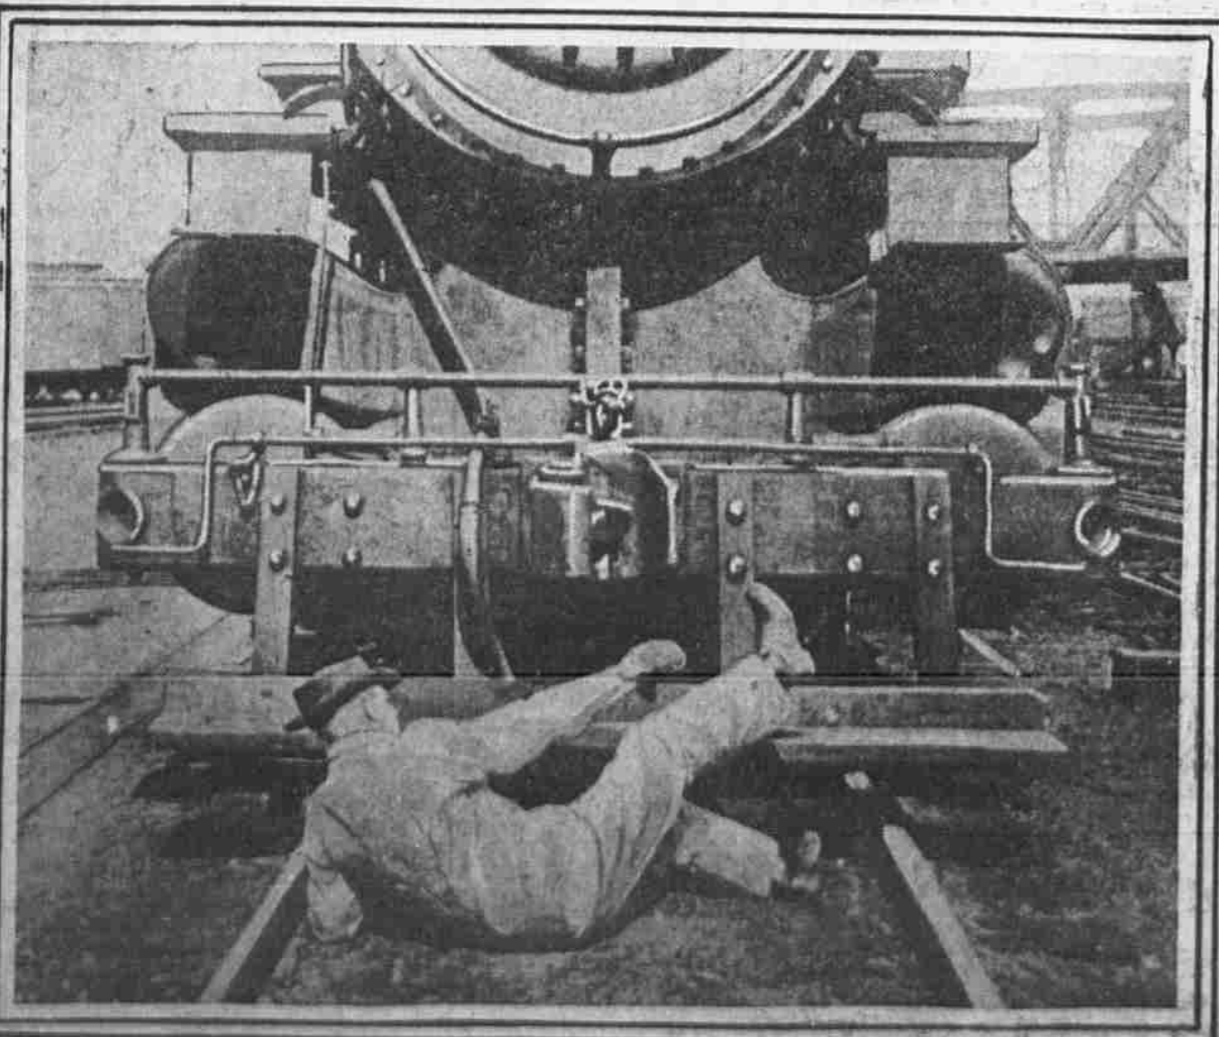

"TAKE THE CAR BEHIND"—UNANSWERABLE ARGUMENTS FOR THE TRANSIT LOAN
One reason why the transit loan should pass—long lines of tired shoppers waiting for cars on Market street. The picture on the right shows a crowd struggling around the entrance of a car already carrying the "full" sign. It won't hold another human being, though it has six blocks to go before leaving the main thoroughfare, on which passengers wait at every corner.

CHILDREN OF FRIENDS' GIRARD AVENUE SCHOOL CROWN QUEEN OF THE MAY
Almost all the costumes seen here were designed by the young players themselves. The festival was held in front of the school building at 17th and Girard avenue. Pupils from the kindergarten, four and five years old, took part in the festival.

WELL-KNOWN BISHOPS ATTENDING THE CONFERENCE OF THE AFRICAN METHODIST EPISCOPAL CHURCH
Left to right are Bishops John Hurst, H. Blanton Parks, Charles Spencer Smith, B. T. Tanner, B. F. Lee, James Myer Conner and William H. Head. The conference will be in session almost the remainder of the month at Bethel Church, on South Sixth street.

SLIDES DEPICTING THE BENEFITS THE CITY'S POPULATION WILL DERIVE FROM THE PASSAGE OF THE TRANSIT LOAN TO BE DISTRIBUTED TO 149 PHOTOPLAY HOUSES TODAY
Above are two typical slides which Director of Public Works Datesman has prepared for the city administration's optical appeal to the voters to pass the loan bills in the election of May 15. On the left is a graphic plea for the abolition of grade crossings and the establishment of safer streets. On the right is a picture which reminds citizens that adequate fire protection is another thing provided for in the loan bills.
