Speaker at U. of P. Explain-

ing Plattsburg Idea

Mr. Pepper had made his speech and asked if any one wanted to ask him ques-

tions. The young radical arose and queried

"We are stewards of every quality of

our being. I believe in moral suasion as far as possible, but if that fails nothing remains but force. Physical strength to a

God-given attribute, and force in emergency is a part of God's plan. Law, order and government are organizations of force."

"Mr. Pepper, I think your view of this atter is hellish."

"Well, of course, I can't convince you, ung man, because you won't be con-

Cheney said, sincerely and not sarcasti-

cally:

"Well, I thank you very much," and Mr.
Pepper closed the debate with:

"No thanks at all necessary."

The students had warned Cheney not to come to the meeting. But, they said, he sneaked in when the lights were low. He hurried out as soon as the meeting was over, and before a band of sophomores—

his own classmen—could get him. They intended to "treat him right." Once when Alfred Noyes lectured at the University

and he interrupted, he was caught later and lost his hair under the clipping shears. There wasn't to be anything so mild thus

Cheney got up again and said:

Plattsburg?

The speaker answered:

The answer was:

MEN'S STOCKINGS (PARDON PLAIN TALK) SHRINKING IN LENGTH

THREATENS 'GAG RULE' TO FORCE PASSAGE OF SHIPPING BILL IN HOUSE

Pennsylvania Representative Denounced in Debate on Rule for Effort to Shut Off Discussion

WASHINGTON, May 16.—Modified so as not to oftend Democrats who do not believe in Government ownership, the Administration ship purchase bill today began its course in the House. Its passage, with a few Republican votes added to the Democratic materia. cratic majority, was predicted by Adminis

cratic majority, was predicted by Adminis-tration leaders.

The provision expected to gain the sup-port of conservative Democrats forbids the Government to operate the line more than five years after the close of the European

Representative S. H. Miller, of Mercer representative S. H. Miller, of Mercer County, Pa., announced that he purposed to vote for a "gag rule" to force through the ship bill, and he was vigorously de-nounced by several of his Republican cot-leagues. Representative Miller said it was useless to debate the bill at great length because the country understood it. "The gentleman is ignorant of the pro-

visions of this measure," said Representa-tive Lenroot, of Wisconsin, who was any-lous to get more time than the 15 hours allowed under the special rule for debate. "If a man cannot learn about this bill in 15 hours, when in the name of God can he?" asked Representative Miller.

Representative Bennet, of New York vas the next Republican to criticise the Pennsylvanian. "If the gentleman were a candidate for

e-election he would not take the position to has taken." said Representative Bennet, "Oh, yes, I would," replied Representaive Miller. Two Philadelphia Congressmen, who rushed to Philadelphia last night to vote,

EVANS SCHOLARSHIPS CANCELED BY U. OF P.

vania will hold in abeyance the grant-ing or renewal of scholarships in the dental course until a definite and final agreement on scholarships is entered into by the two boards, .

It was explained at the University tha he Committee on Scholarships felt it neces eary to take this course because the University could not afford to pay actual money for the holders of scholarships in the dental school. The University grants about 800 scholarships each year, but it does this simply by canceling the tuition

It would be willing to grant dental school dudents scholarships in the same way, but t feels it cannot afford to pay their tuition. and that is what it would have to do to continue the scholarships in the dental school; paying University funds over to the board of trustees of the Evans Insti-

The provost decided to notify the students affected, so that they might make the nec-essary arrangements by next autumn, in case the two boards of trustees fail to reach an understanding favorable to the students. The provost indicated, in his statement, that the matter would be further considered by the boards

Henry Rainey, secretary of the board of trustees of the Evans Institute, said the subject would be considered at the board meeting June 1. He said he thought the two boards would "get together on the question, all right," but he wasn't prepared to predict just how satisfactorily for the students the question would be settled.

RINGS UP NICKEL; HURTS ARM Brooklyn Car Conductor Too Eager to Make Register Work

NEW YORK, May 16 .- In his eagerness to make his "clock" register a 5-cent fare to make his "clock" register a 5-cent fare yesterday morning, Jeremiah O'Neill, a conductor employed by the Brooklyn Rapid Transit Company, delayed 500 passengers on surface cars of the Church avenue line when he dislocated his right shoulder.

As O'Neill's car reached Coney Island avenue several passengers entered. He col-

lected the fares, ringing up each one as he collected it in accordance with the rules. The "clock" would not register the last fare. and O'Neill, after several attempts to make it ring, braced his feet, drew a deep breath and pulled. His right arm was pulled out of its socket and he screamed with pain.

Rotary Club Members on Outing

Two hundred members of the Rotary Club left this afternoon for Kuglers-on-the-Delaware, where the club will hold its annual outing. There will be ball games, races and other diversions for the members. followed by a shad dinner tonight. Tregular monthly meeting will be held the evening.

RECIPIENTS OF MEDALS TODAY

PHILADELPHIA WOMEN CHEVY CHASE WINNERS returned at a noon today to participate in the debate on the rule. They were Repre-sentatives George W. Edmonds and J. Hampton Moore.

Company C of Second Battalion Awarded First Prize for Marksmanship

CHEVY CHASE, Md., May 16.—Two Philadelphia women belong to Company C. Second Battalion, of the Chevy Chase Military Camp, which won the first prize for the best marks during the first two weeks of the first women's military camp in the world's history.

They are Miss Mary Walker Colket, 258 South 18th street, and Miss Eather Stiles, Bryn Mawr. Each of the 50 torious young women in the successful company has brought home a badge-a ymbol of military prowess.

High honor also came to Mrs. Charles Belknap, 1700 Pine street, a Philadelphian, for she was the captain of the company which won second place in the two-weeks contest. Her company was Company D. It won first place in military calisthenics.

Company C won first place in drill and eatness. Neatness included the care of neatness. the tents, tent streets, and personal appear-Miss Colket is the daughter of the late G. H. Colket; Miss Stiles is a sister of Lieu tenant W. C. L. Stiles, of the United States

Navy, while Mrs. Belknap is the daughter of Admiral C. F. Goodrich, retired.

The winning group, Company C. was commanded by Miss Frances Williams, Washington, debutante, sister of Mrs. Joseph Leiter, made famous by her husband's wheat pit episodes. Mrs. Richard Chisholm, of New York, was second lieutenant of the company. The company also included some of the best-known social buds of the season. Miss Frances Moore and Miss Elizabeth Harding, both of Washington, were among the winners of the coveted medals. of Admiral C. F. Goodrich, retired.

NEW PHONE WONDERS TO BE DEMONSTRATED AT FRANKLIN INSTITUTE

Transcontinental and Wireless Messages Will Be Received by Audience-Medals to Be Awarded

TO HONOR HARVARD MAN

An interesting scientific demonstration will take place at the Franklin Institute to-morrow afternoon and evening, when, by courtesy of the American Telephone and courtesy of the American Felephone and Telegraph Company, transcontinental and wireless felephone messages will be re-ceived. The occasion of the demonstration will be the presentation of the Franklin and the Elliott Cresson medals.

The Franklin medal, founded in 1914 and The Franklin medal, founded in 1914 and awarded agnually to "those workers in physical science or technology, without regard to country, whose efforts, in the opinion of the institute, have done most to advance a knowledge of physical science or its applications," will be presented to Prof. Theodore William Richards, of Harvard University, and to John J. Carty, chief engineer of the American Telephone and Telegraph Company.

The Elliott Cresson medal, awarded for "discovery or original research, adding to the sum of human knowledge, irrespective of commercial value; leading and practical utilization of discovery, and invention, methods or products embodying substantial elements of leadership in their respective classes, or unusual skill or perfection in workmanship." will be presented to the workmanship," will be presented to the American Telephone and Telegraph Com-

The award to Professor Richards will be made in recognition of his numerous and important contributions to inorganic, physical and theoretical chemistry, and par-ticularly his classical series of redetermina-tions of the atomic weights of the more important chemical elements,

STUDENT TELLS PEPPER The award to Mr. Carty will be made in recognition of his long-continued activities in the telephone service, his important and varied contributions to the telephone art. Young Ralph Cheney Interrupts his work in the establishment of the prin-ciples of telephone engineering and his signal success in directing the efforts of a large staff of engineers to the accomplish-ment of the telephonic transmission of speech over vast distances. Ralph Cheney, son of Prof. Edward P

Cheney, head of the department of history at the University of Pennsylvania, heckled George Wharton Pepper at a meeting of students last night in Houston Hall, where Mr. Pepper came to explain the Plattsburg The basis of the award of the Elliott Cresson Medal to the American Telephone and Telegraph Company is its constructive and far-seeing policy in the development of the art of telephony, in the promotion of telephone engineering, in the establishment of its telephone system in every part of the United States and for placing all the States of the United States and for placing all the States of the Union in speaking communi "How con you reconcile Christianity with

Professor Richards and Mr. Carty will address the institute following the pres

entation, as will Theodore N. Vail, president of the American Telephore and Telegraph Company, who will receive the Elliott Cres-son Medal for that company.

At the conclusion of the presentation ceremonies the demonstration of transcontinental and wireless telephony will take place. Telephone receivers will be placed at each chair in the auditorium, and each member of the audience will listen to the voices which will come from the Francisco. member of the audience will listen to the voices which will come from San Francisco. Following this demonstration of long-distance telephoning, the members of the institute will listen to a message apoken into a transmitter in Washington, D. C., and carried by air line to New York. The message will be carried electrically to this city, lack of proper facilities making it impossible to receive the message direct.

The demonstrations will take place at 3:45 o'clock in the afternoon, and further demonstrations will take place in the evening at 6 o'clock, 7:15 o'clock and 8:30 o'clock. The evening demonstration will be divided into three periods of about 45

LOGAN REALTY BRINGS \$400,000

Sales Within Last Ten Days Indicated Marked Activity in Suburb Deals

Ground, valued at nearly \$400,000, has been conveyed to builders in the Logan section within the last 10 days. Daniel Crawford, Jr., purchased from Edwin Wolf three blocks of ground between 8th and 9th streets and extending from Wyoming avenue to Ruscomb street, for which he is reported to have paid \$120,000. This tract will be held by him for future development. Title was taken by A. J. Margolis and others to a tract of about eight acres, at the northeast corner of Broad street and the Boulevard, which was sold by George W. Eikins for \$200,000, This has been parceled out already to several builders

who will proceed to develop it immediately with dwellings. Mortgages aggregating up-ward of \$500,000 have been taken on this development by several building and loan associations. This is by far the largest in-vestment of building and loan money made for many years in dwelling-house construc-tion in this city. tion in this city. Several other smaller sales of land were

closed recently in the Logan section, among which is the purchase by Benjamin Fox from Horace Groskin of a plot 37 by 150 feet, fronting on Broad street and York road, between Wyoming avenue and Louden street. The purchaser, who was represented by Albert M. Greenfield, will improve the ground with several stores on which mort-gages of \$36,000 for building purposes have been placed.

BACHARACH BECOMES ATLANTIC CITY MAYOR

'Bill" Riddle Out and War Begins on His Policies and Followers

ATLANTIC CITY, N. J., May 16.—Com-plete harmony marked the organization of Atlantic City's reform administration at

oon today.
Mayor Riddle, who turned over the keyn Mayor Riddle, who turned over the keys of his office to Mayor Bacharach with a brief expression of good will, was not present when the new board organized at noon. The place looked like a floral bower. Besides being Mayor and Director of Public Affairs, Commissioner Bacharach will be Director of the Health Bureau and Director of the Supplies Department.

Other department were apportioned as follows: Public Safety, William Frank Beoy, new member; Streets and Public Improvements, Charles D. White; Finance, Albert Beyer; Parks and Public Improvements, J. B. Thompson.

The first step in the move to eliminate The first step in the move to eliminate Riddle adherents who took a prominent part in the commission campaign was taken with the election of Joseph A. McNamee, a banker, to succeed Daniel H. V. Bell as City Clerk. Bell retired under protest. Harry Wootton was made City Solicitor to succeed Theodore W. Schimpf, also a Riddle

A cog slipped somewhere and William S. Cuthbert, a Kuehnle supporter, was not made assistant Director of Public Safety, as expected. The office goes to Charles Hartman, a 4th Ward leader, at \$1500 a year instead of \$2500.

> A Big Perry

Characteristic

is Full and Plenty in Suits at \$15

I "Full and plenty" at Perry's means several things. It means, first of all, a wonderful range of assortments to make your selections from. It's not merely the number of different fabric patterns, but the newness, the nobbiness of the designs.

\$18, \$20, \$25

¶ A very prominent young Philadelphia business man, who was accustomed to pay fifty and sixty dollars for his suits, has been buying Perry Clothes for over a year. A few weeks ago he told us that his friends at several clubs -town clubs, country clubs, golf clubs-asked him with admiration who made his clothes now-and he told them he got them at Perry's.

I He gets better style, better fit, vastly better selections-and saves the price of another Suit!

Don't you think you may be making a mistake not to put it up to Perry's?
