HARRISBURG. Pa., May 17 .- Estimates ade yesterday were that Harrisburg polled and that in some parts of Dauphin and fumberiand counties the vote would run Tess. Fragmentary returns from this city and the Lykens Valley showed that Gov-ernor Brumbaugh was running behind some of his own delegates-at-large, and in Steel-

The returns from Jefferson township, Dauphin County, show six votes cast for the Penrose delegates-at-large and none for the Brumbaugh list. In a number of other rural districts the Brumbaugh slate got two and three and the Penrose list from 15 to 20. In some Harrisburg city districts Penrose was ahead about 5 to 1. Senator Snyder received a good vote in the upper end of Dauphin County, where he was born. It is estimated that he will beat Ambler 3 to 1 in the county.
