## OLD GRADS HOLD STAGE OF COMMENCEMENT AT PENN STATE COLLEGE

Reunion of Classes of Days Gone by Chief Event on Today's Program of Festivities and Exercises

ADDITIONS TO FACULTY

STATE COLLEGE, Pa., June 13.—Two score old grads, more than 50 years out of the classroom, came back to the Pennsylvania State College today and joined hundreds of the younger graduates in the calebration of alumni day. They came from as far West as California, and from Florida in the South. Classrooms, and aven comin the South. Classrooms, and even room-nates, who had been completely out of touch for a half century, were reunited in the campus with touching scenes of affec-

Afost of the older alumni had not seen Penn State since the days of her reseneration. As they rested under the big tent set aside for the grade, the men who went out from State College in the early sixtles marveled at the transformation of the campus and its surroundings. When they were students here there was only one building, the one now known as Old Main. Today they counted 34 buildings and saw the comprehensive plans that provide for the comprehensive plans that provide for further development of the college property so that it will measure up to the demands of a student body of 3000.

At the public welcome extended to the graduates in the classes of '61 to '65, the following were present:

Class of '61, Professor Thomas R. Baker, Winter Park, Florida; James M. Armor, Bellefonte; John N. Banks, Indiana; J. Henry Isett, Isett, Pa.; Dr. James S. Read. Fayetteville, Ark.: Professor C. Alfred Smith, Evanston, Ill., and Jacob C. Deput-ron, Washington, D. C.

Class of '68, Dr. Hugh Hamilton, Har-risburg, and J. Albert Seidel, Marysville. At this meeting the old grads heard for the first time the Penn State College cheer. When they were students here the college was not interested in intercollegiate sports. Consequently, there was no need for a cheer Today 2500 undergraduates remaining for commencement festivities taught them the
