CURTIS MAN ELECTED DARTMOUTH PRESIDENT

Former Publishing Co. Employe Made College Head-Youngest In Country

Philadelphia friends of Ernest Martin Hopkins were giad to hear today that he has been elected unanimously to the presikey of Dartmouth College. He is only is years old and that makes him the roungest college president in the country.

Dr. Hopkins spent last year here as the manager of the employment department of be Curtis Publishing Company. He is an expert in this field, having served similarly for William Filene's Sons Company in Bosfor William Filene's Sons Company in Boston, the Western Electric Company is Hawtherne, Ill., and other corporations. He
left here to become assistant to the president of the New England Telephone and
Telegraph Company of Boston.

Robert Clothier, successor to Dr. Hopkins at the Curtis Publishing Company,
said today that the new president was recemized as one of the ablest organizers in
his field.

Mr. Hopkins is a graduate of Westernian

Mr. Hopkins is a graduate of Worcester Academy, obtigned his A. B. and A. M. Asgree at Dartmouth and has been closely identified with the college for a number

Born in Dunbarton, N. H., on November 5, 1877, his rapid rise has been marked by many distinguishing phases attending a student's struggle for an education. By dist of perseverance he earned his degree of bachelor of arts in 1901 and his master's fegree in 1908. In 1911 he was married to Miss Cecelia Stone, of Hanover, N. H.

Doctor Hopkins has been in industrial and academic fields. He has served as secretary to the president of Dartmouth, secretary of the college, graduate manager of athletics, founder of the Dartmouth Alumni Magazine, and afterwards its ecitor, and president of the Dartmouth alumni founcil.

After leaving college work the new President became interested in industrial work, having to do with the industrial management on the side of human relations. As a lecturer, writer of magazine articles and political economist Doctor Hopelas is known among the large universities. ina is known among the large universities of the East. He is an Independent Republican and a member of the Congregational-tic Church. He lives at 15 Belmont street, Newton, Mass.

\$100 Saving on Uprights and \$200 Saving on Player-Pianos--- While They Last

HE Painter & Ewing Piano Co. of Philadelphia had for an Philadelphia had for many years manufactured high-grade Pianos and Player-Pianos, and the music-loving people of Philadelphia realized the merit of these instruments to such an extent that they usually purchased all the factory was capable of manufactur-

Owing to the death of one of the firm, the other member desired to retire from the piano business, and we purchased the entire factory and stocks. The factory will be used to manufacture the famous Cunningham Pianos, while the stocks are now being sold at great reductions to make room for our own forces.

Every instrument is brand new, fully guaranteed by us and sold on convenient weekly or monthly terms at our warerooms, Eleventh and Chestnut Streets.

The following are the Painter & Ewing prices, as well as the Cunningham sale prices:
