"Strawberry Mansion Squad" Credit to Second Regiment-Candy Shower for Members of Second City Troop-Odd Items Concerning Third. News Notes of Mount Gretna

June 29 .- Men are much like women when wd gets together. They like to gossip. All over the camp it is nothing but goeslp, goesip, gossip. Here is the result:

SECOND REGIMENT

Fifty members of Company M are from Strawberry Mansion, forming the "Strawberry Manaton Squad." Two years ago three Strawberry Mansion boys were in the National Guard Punnsylvania and they persunded the other 47 to join and enjoy the pleasures of camp.

SECOND CITY TROOP

The Philadelphia Second City Troop lads are so popular and have so many "girls they left behind" that two motor trucks full of candy were brought into their tents Tuesday. Orders were issued against allowing any more boxes of candy to come Into the Second City Troop to safeguard the men's health. The motor truck, by the way, was a gift to the Troop from the nonactive men of the troop.

Corporal James Stewart, of the Second Corporal James Stewart, of the Second City Troop, is a modest youth. He has "all sorts" of medals for his crack rifle work, but does not wear a single one of them, although many of the infantrymen wear several. The Second City Troop is noted for its many crack shots. It won an enviable reputation last year when it came off victorious in a hig shoot with 12 other troops of the First Cavairy. The men of the troop had just returned from a long maneuver and had not even had any supper when they went into the match, while per when they went into the match, while the other contestants had rested all day. The regular regiment riflemen refused to enter the same event. The Second City oop is not having any spcial display, s men declare they are against the tage handkerchief and flaring necktie

Two men working in the law firm for George Quintard Horwitz, both University of Pennsylvania men, are in the Second City Troop. They are George S. Wolbert, University of Pennsylvania College, '10, and Law, '13, and Frank Smith, Law, '08. University of Pennsylvania, who is now secretary of the State Industrial Commission. Mr. Horwitz himself is chairman of this commission.

Boys of Company L, all of them from hiladelphia, are proud of the spirit of Pri-Philadelphia, are proud of the spirit of Private Thomas Jones, one of their number.

Jones was rejected in the physical examination on account of his eyes. Nothing daunted, the youth went to headquarters to see if he can be enlisted in the Hospital Corps, where they are allowed to wear glasses. He has not received his answer yet.

Boys of Company L had a "scrumptious" time, so they say, last night putting a few new recruits "through the mill."

They gave Morris Freeman, a recruit of Company L, a mock trial. The boys even had a court complete. James Beatty acted as judge. The jurors included Sergeant Saxon Martin, Bergeant Thomas McShane, Cook Robert McKenna, Orderly Herbert Perrett and Quartermaster Sergeant Thomas Dragnet, whom the boys call "Our Cute Little Quartermaster"; Corporal Harry Jones, Trumpeter James Campbell, 3d Lieutenant Nick Clauser, Corporal Joe McGrath, Orderly Sam Vile, Private William Guntherman, Private John Brown and tipstaff of the court, George Black. Lawyer iam Guntherman, Private John Brown and tipstaff of the court, George Black. Lawyer Charley Travers pleaded the cause of the prisoner in splendid style, but the prisoner was found guilty and sent to the "guard house" to prepare for his sentence—a cold shower, which lasted 28 minutes. Then taps sounded and the men prepared for bed and another hard day's training and work.

4TH REGIMENT

Allentown boys declare they have a record which not a town in the N. G. P. can beat. Two companies, B and D, and the Hospital Corps of the 4th Regiment are all from Allentown. When the men stood up to take the Federal oath not one dropped out. This is considered phenomenal, as there is hardly a company in camp which has not had some members drop out.

Lloyd Hersh, son of Edgar E. Hersh, Lloyd Hersh, son of Edgar E. Hersh, heating and ventilating engineer and contractor of Allentown, and one of the leading citizens, and Ethan Gearhart, son of Dr. A. E. Gearhart, also of Allentown, are working hard in the Hospital Corps of the 4th Regiment of the 4th Brigade. Both are Allentown Preparatory lads. Young Hersh graduated this month, while Gearhart is a member of the class of 1917. All but three of the 21 men in the corps are

Initiation of rookies coming into the 4th Regiment is the first trying ordeal of the new recruit in that part of the N. G. P. After the recruits have been greeted with open arms and the boys have sung "Hail, Hail, Hail, the Gang's All Here," they have to run the gauntlet. That is a polite way of saying they have to go between a line of old-timers and be strapped with belts all the way down the line.

An old friend of Howard Berry, the University of Pennsylvania's crack athlete, Barney McNulty, and an athlete of note himself, is leader of the band in the 4th Regiment. McNulty lives in Allentown.

PAY FOR GUARDSMEN WHO HELD MUNICIPAL JOBS ASSURED TODAY of the year.

Councils Will Pass Ordinance Granting Leaves of Absence and Naming of Temporary Appointees

RELIEF FOR FAMILIES

An ordinance, granting leave of absence to city, county and other employes paid on warrant from the City Treasury while on military service in the National Guard of Pennsylvania, and providing for the appointment and payment of temporary appointees to fill such vacancies, will be passed by both branches of Councils today. At the same time Councils will provide \$10,000 to be used in the relief of Philadelphia soldiers whose employers are not able to continue their pay while the men are away at the front. This money will be paid to soldier's dependents.

The bill, granting leave of absence, car-ries full pay to city and county employer-

No estimate of the amount the city will be called upon to pay out in this manner can be made, but if the absence of the troops is prolonged, provision will be made by other appropriation bills.

vision will be made by other appropriation bills.

The \$10,000 that Councils will appropriate will be disbursed under orders issued by Councils' Relief Committe, headed by Belect Councilman Issac H. Hetzell, of the 1sth Ward. This committee today is completing plans for quick relief work. It will work in conjunction with the Citizen Soldiers' Relief Committee so that no overlapping of cases will result. The money is also provided for the care of soldiers who may be wounded or injured, and for their burial if their families are unable to pay.

A part of a transfer bill to be passed by Councils today includes a provision of \$15,000 to be expended by Director Krusen, of the Department of Health and Charities, in conducting a summer baby campaign. Director Krusen asked for doub's this amount, but because of the muddled condition of municipal finances he was allowed but one-half. This money will be used on the suppleyment of special nurses to serve

in the poorer sections of the city and for health stations to be established where most needed. Doctor Krusen, after the passage of the transfer bill, will at once enlarge his working force, with a view to keeping down infant mortality during the heated months of the year.

Select Council will pass the three loan bills and they will be promptly signed by Mayor Smith. At the same time the Finance Committee will report to Common Council the appropriation bills dividing the \$114,525,600 into separate appropriations to the various departments having charge of the municipal undertakings for which it is planned to spend the money. The appropriation bills will be passed next Thursday and members of Councils Finance Committee hope to clear their devices. mittee hope to clear their deck for a summer recess to start the middle or latter part of July and to run until the end of
