EVERTHING in factories, Established 29 years, W. Bruce Barrow, 130 N. 12th st. WEST PHILADELPHIA

ON THE SOUTH SIDE OF VINE ST. between 59th and 60th sis, within 3 minutes of the elevated station, is located a beautiful row of modern two-story perch and terrace-front homes of a "so decidedly different character from the ordinary that the story of these houses will be of peculiar interest to the truly intelligent home buyer.

They were built of the finest quality material by one of Philadelphin's leading builders, whose only fault was that he put such housest value in his work that there was little profit left over. They were purchased by an investor when material and wages were at rock bottom. Through force of circumstances he must seil at less than cost. Think of the unique opportunity, now that materials and wages are at top prices!

These houses are not designed to make an appeal to every one. To those who want tined instead of good metal, shine and pollsh instead of solid construction, they will make no appeal.

THEY ARE FOR THE MAN WHO KNOWS CHARACTER OF CONSTRUCTION AND REAL ESTATE VALUES THROUGH AND THROUGH, WHO IS LOOKING FOR A MODERN HOME, IN THE BEST SENSE OF THE WORD, WITH 6 ROOMS, NOT COUNTING THE RECEPTION HALL, BATHROOM OR LAUNDRY, A HOME WHICH WILL BE AS GOOD OR BETTER 10 YEARS HENCE THAN TODAY.

Sample house, No. 5028 Vine st., will be open day and evening, and we should like every one who is ... the market for a home to come out and examine without delay.

We truly feel that this is an unusual oppor-
