WEST PHILADELPHIA

They were built of the finest quality material by one of Phiradelphia's leading builders, whose only fault was that he put such honest value in his work that there was little profit left over. They were purchased by an investor when material and wazes were at rock battom. Through force of circumstances he must sell at less than cest. Think of the unique opportunity, now that materials and wages are at top prices.

Sample house, No. 5922 Vine at., will be gen day and evening, and we should like very one who is in the market for a home to mps out and examine without delay. We truly feel that this is an unusual oppor-mity.

Extenuating Circumstance Magistrate-You ought to be ashamed of yourself! The idea of you hitting your wife with a flat-

Optical Illusions I was telling a friend about an accident my wife had. She and I were walking along the street one windy day, and the hat of a man ahead of me flew off and struck my wife in the eye, costing me \$10 for doctor's

bills. "That's nothing!" said my friend. "My wife was walking along the street the other day and happened to look into a milliner's window. A hat struck her eye and it cost me \$15."

Looking the Other Way

"Did you see the pleased expression on Mrs. Brown's face when I told her she didn't look any older than her daughter?" asked Mr. Jones, after the reception.

"No," said Mrs. Jones; "I was looking at the expression on her daughter's face."

Jane-Safe in their dug-outs, Mum. They bin there all the mornin' as good

Fond Mamma-Wherever are the children, Jane?
