On the night of September 11-12 an On the hight of september 11-12 an Austro-Hungarian haval alt squadron attacked the airship shed at Gesi, the Palconara railroad station and the de-fensive batteries at Ancona. Several bombs hit the airship shed. All the Aeroplanes returned unharmed dampite the fire directed upon them by spli-aircraft batteries.

ITALIANS JOIN IN BALKAN DRIVE; FRENCH AND SERBS-GAIN IMPORTANT POINTS

PARIS, Sept. 13. Italian troops have joined in the general Alled offensive in Greece and are fighting mar Butkovodsuma, it was officially annnced today. Dimpite heavy Bulgarian resistance, the

U. S. Weather Bureau Bulletin

The latest French exploit in the capture of a village midway be-tween Combles and Peronne places them in a position where they can virtually control the important highway between Peronne and Baupaume, as indicated by the arrow in the lower part of the map. By widening this wedge they will threaten the German positions north and south. Moreover, the Allics are thus brought nearer to the important railroad aunaly line the important railroad supply line between Lille and Peronne, which has been of immense value to the Germans. The map affords a view of the entire fighting line north-

ward to the sea, the shaded area representing the ground gained by the Allies since they opened their drive in July. Serblans are continuing their advance.

Serbians are continuing their advance. They have occupied an important position north of Covil and are advancing toward Kaltmatchalad. South of Ostrovo Lake, the French made an important advance. Allied artillery is bombarding enemy positions on both sides of the Vardar.

Following is the statement on operation in the Balkans issued by the War Office: On the Struma front no change in the situation was reported. The cannonade continues violently in the region of

continues violently in the region of Mount Beles. Italian troops are engaged in a battle in the direction of Butkovo and Dzuma. On both sides of the Vardar allied art liery violently bombarded Buigar-ian organizations north of Macakovo and Majadag.

enemy. Northwest of Covil, the Ser-vians occup ed an important position after a conflict which resulted in heavy losses for the enemy. In the direction of Kajakcalan advanced Serbian de-The Asjakcain's advanced Serbian de-tachmonts are making progress in a cuining battle. Northwest and west of Lake Ostrovo there were violent en-fagements. In the course of fighting to the southwest of the lake our troops made a marked advance. Our artillery met fire to several positions occupied by the Butgarians.

TEUTONS FAIL TO RELIEVE RUSSIANS' PRESSURE NEAR HALICZ AND ON MOUNTAINS

PETROGRAD, Sept. 13.—Teuton efforts to weaken the lightening grip of the Russians on Halter resulted in complete failure yester-day. The War Office announced today that the Russians had frustrated attempts by their focs to cross the Bystritas River to the south of Jesupol, one of the outlying defenses of Halter.

defenses of Halicz. The official war report follows: "Southward of Jezupol an enemy at-tempt to cross the Bystrites was frus-trated by our troops. "In the wooded Carpathlans enemy counter-attacks against the heights in the region of the upper river Czarny-Chere-mosch were repulsed.

RUSSIANS CAPTURE CAUCASUS VILLAGE IN SNOWSTORM; TURKS BEAT BACK FOE NEAR OGNOTT

LONDON, Sept. 13.—Sweeping forward in a snowstorm, the Russian troops in the Caucasus captured yesterday the mountain south of Pirdjani and the heights along the River Masladaraksi. In the Ognoit sector the Turks thrust back the forces of the Grand Duke Nicholas and recaptured their former positions. On the Persian frontier, south of Deobende, the Ottomans were also successful in winning ground.

The Russian official report of today reads:

Caucasus front—Our detachments captured the pyramidical mountain south of the village of Pirdjani and occupied the heights on the left bank of the river Masladaraksi. Snow fell in the mountains and there was froat. The Turkish announcement of September

10 says: Turkish forces pushed back the ensmy and occupied the heights south of Dechende, on the Persian frontier. Caucasus front—In the Ognott sec-tor, on September 8, the enemy at-tacked repeatedly, but was completely repulsed. The enemy had occupied a portion of Height 2113, but was pushed back by a counter-attack. The Turks recaptured all their former positions. On the night of September 8-9 and the following day the enemy attacked in the Ognott sector with two divisions. After gaining a temporary footing in in the Ognott sector with two divisions. After gaining a temporary feeting in our positions, he was elected by a counter-attack. Our positions are com-pletely in our hands.

DEATH IN DEFECTIVE CASTING

Cause of Quebec Bridge Disaster Officially Determined

QUEBEC, Sept. 13.—Failure of a casting was responsible for the disaster of Monday when the central span of the new bridge across the St. Lawrence collapsed, it was officially stated today. After a thorough investigation, the St. Lawrence and Do-minion Bridge Company issued this state. minion Bridge Company issued this statement

"Careful examination by the Board of Engineers and our own engineers indicates that the center span of the Quebec bridge was lost through the failure of a casting on a lifting girder on which the span had been resting with a greater load for the last

"The cantilever arms were not injured in any way and preparations are now under way to replace the center span as soon as practicable."

DEAD WOMAN IDENTIFIED

Special Policemen Successfully Canvass City With Photographs

Special policemen yesterday went to the morgue and obtained a photograph of an unidentified woman who had been found dead in an alloy near 619 South Second street on Sunday night. Each took the photograph to the southern section of the city and started a systematic canvass of every house in the vicinity of the place where the body was found. Finally they learned that a person answer-ing the description of the dead woman was missing from a Webster street house. After ing the description of the dead woman was missing from a Webster street house. After a canvass of every house in the street the photograph of the woman was identified by Mins Marian Bocker as that of her mother. The woman, it had been supposed, was visiting friends in New Jersey.
