SO MANY PROPERTY OWNERS

Have said to me—"Yes, I see your ad asking me to place my vacant property in your hands to be RENTED or SOLD, but I see so many similar ads that I pay no attention to them."

I want you to realize that we are different—we are large, consistent advertisers, and this advertising brings over a hundred applicants a day for apartments, dwellings and stores to our office—folks WHO WILL NEVER SEE your property unless we have it in our care.

Our problem is to secure enough properties to meet our clients' demands.

Your problem is to get your properties sold or rented.

Why do you continue to HOPE and WAIT for results when you can get them so quickly—through us?
