Letters to the Editor of the Woman's Page Address all communications to M'Liss. Write on one side of the paper only. Dear M'Liss Please explain to me the reason for the scarcity of paper. Is it due to the war, of to other causes? J, L, C, BANKS BUSINESS COLLEGE Graduates Are Always Successful in their chosen fields. Employers know the value of our modern courses, recor-bles the efficiency developed by them, and pay well for it. The Panks Diploma has the highest commercial courses for young men and young women. Spanish classes now forming. The acute situation in the paper world Dear M'Lias-A doctor's reply to your query. "When is a lady not a lady?" would be prob-The acute situation in the paper world is due, I am told, in large measure to the war. For a long time the United States has been importing wood pulp from Scandi-navia and other foreign countries. This is new difficult to obtain because of restricts. Pulp is used to make ammunition. The pulp is used to make ammunition. The functed States and Canada, having been too prodigal with their own foresta, are, now forced to depend on an outside source. The PRACTICAL, CHIC AND INEXPENSIVE The Russian effect, which was so popular all summer, continues in favor, as is shown by this new fall model. This frock, which is made of all-wool serge, features a yoke and sash. The latter belts the knife-plaited frock, which hangs straight from the shoulders. Triple banding of beaver or seal plush trims the skirt. Self-covered buttons fasten the front and trim the cuffs. The collar and cuffs are of white serge. The dress may be had in mavy, hunters' green, wood brown, burgundy or black, for \$16.76. This smart hat is an Empire model, made of velvet. Its only trimming is a motif of fur, ribbon and a beaded ornament. It may be ordered in any color for \$6. The name of the shop where these articles may be purchased will be supplied by the Editor of the Woman's Page, EVENING LEGOER, 608 Chestnut street. The request must be accompanied by a stamped self-addressed envelope and must mention the date on which the article appeared. and cuffs, is the proper thing for the work-ing girl to wear. Her hat and gloves should always be neat and stylish, but not too Personality ultra. Smart. neat and trim, but not con-spicuous should be the description of the Day School Enter any time working girl's attire. Crochet Patterns Wanted

Seeing crochet patterns offered by Edith B. I am writing to ask for some of them. I should particularily like patterns for corset cover and nightgown ynkes, if they are available. I am not able to render service to your Corner now, but whenever I can I shall be glad of the privilese. I already know for myself that "It is more blessed to give than to receive." M. O. M. C.

blessed to give than to receive." M. O. M. C. We have given the address of the liberal-souled Edith B. already to divers other ap-plicants. Lest yours might be the "last straw" to the too heavy load hald upon her, we insert the request here for a separate donation of crochet patterns for your usy. We would not presume too far upon the generosity of Edith and her compeers, yet we are desirous that you shall not leave our Corner empty handed.

Invalid Wants Reading Matter

If I am not asking too much, will you please print in your Corner a request for books and magazines? I am fourieen years of age and get out little on account of III health. I do so love to read. ROSE S. to read. Our juniors will see to it that you do not plead in vain. Nor will mothers and older friends of the young people overlook the simple tale of your need and cravings. It is our duty and joy to minister to the in-valid and to encourage the intelligent tastes of the young. Both objects are met in you. We hold your address compassionately and in hope.

Bust Form Wanted

I see that the Helping Hand Corner has a ust form to give away. It would be of service or mo, especially if it is size all or all of a service adding the Corner and know it has been i issuing to many in need. ANNA G. The bust form put at our disposal went

out of our keeping before you wrote to un We register your pies for one, and note the

1800 Applications at Drexel

1800 Applications at Drexel A novel condition at Drexel Institute is the large enrollment for the engineering courses in the night school, which opens next Monday. Eighteen hundred applica-tions have already been received, which is 500 more than the total enrollment in these courses last year. Dr. Hollis Godfrey, prin-cipal of the institute, thinks this may be due to the war orders which have come to Philadelphia and are prompting more per-sons than ever hefore to acquire a theoret-ical as well as a practical knowledge of the technical industries.
