JAPAN SEEKS WORLD TRADE; IGNORES WAR, JUDGE GARY ASSERTS

Nation Not Taking Sides in Conflict Since It Has Territory Formerly Occupied by Germany

WATCHING U. S. ELECTION

CHICAGO. Sept. 29.—Japan is bending her every effort to become a great world trade factor, and apparently is paying little attention to the war, according to Judge Eibert H. Cary, chairman of the United States Steel Corporation, who was here to-day on his way back East after a visit to the Orient.

CHICAGO. Sept. 19.—Japan is bending or avery effort to become a great world and factor, and apparently is paying little itention to the war, according to Judge 2bert H. Cary, chairman of the United lates Steel Corporation, who was here to be Orient.

"The Japanese are going along as if there are no war," he said. "They have taken a extensively the manufactures that were paxing along as if there are no war," he said. "They have taken a extensively the manufactures that were topped in the belligerent countries by the car. Japan is busy making clothing and bees and is becoming a great commercial actor. I don't believe the Japanese are aking sides in the war, now that they have ossession of the territory formerly occurred by Garmany.

"Strange as it may seem, Japan is really not interested in the outcome of the election for President of the United States 1

interested in the outcome of the elec-for President of the United States 1 naw nothing in Japan to indicate an un-friendly feeling toward the United States, but rather to the contrary. Leading men seem anxious to recognize the wealth and influence of the United States."

Judge Gary would not venture a predic-ion as to when the war would end. He dso refused to discuss business and poli-

JAPANESE SUBSIDY GRANTED TO COMPETE WITH U. S. IN EAST

Bounty Centemplated for Electrical Machinery Export Trade

WASHINGTON, Sept. 29. — American trade efforts in the Far East are to be confronted with competition directed and subsidized by the Japanese Government, according to dispatches reaching Washington today. The reports say that Japan contemplates assume a benefit in the competence of the conference of templates granting a bounty to the elec-trical machinery industry in Japan for en-gaging in the export trade in Russia, China and British India, where American exporters

are already fighting for the markets.

The Japanese subsidy plan was the scheme of export organization which American commercial officials hope to put in operation here if the Webb bill, now await-ing congressional action, can be enacted into law, allowing combinations in restraint of trade outside of the United States.
