The Young Lady Across the Way

The young lady across the way says her grandmother is nearly eighty years old, but is perfectly strong and well and doesn't betray a sign of adolescence.

Great Mystery Solved

Hugh Phillips and Fat Shook have had a bunch of hogs in a field north of town that they have been in the habit of going to feed in an automobile, says Tom Flory in the Gridley Light. It has been quite a mystery for some time why they did not gain any more than they were and all of the hogs looked like they were run to death. The solution was made the other day when Hugh discovered that they ran clear across the field every time they heard an auto on the road, thinking their feed was coming.—Kansas City Star.
