The Young Lady Across the Way

The young lady across the way says her father thinks the election will come out all right but looks for a pretty close vote and doesn't expect anything in the nature of a snowslide

The Wrong Direction

A popular sportsman, being vastly conceited about his fine figure, wore corsets to show it off. One day he was thrown from his horse and lay prone on the road. A farm laborer ran to render him assistance. The first-aid man began to feel the fallen one over to see if any bones happened to be broken, and suddenly yelled out to another laborer:

"Run, Jack, for heaven's sake, for a doctor. Here's a man's ribs runnin' north and south instead of east and west."
