SCRAPPLE

The Young Lady Across the Way

We asked the young lady across the way if her father's new automobile was a six or an eight and she said it seated seven very comfortably and, of course, eight could crowd in.

No Come-back

"I received a letter from Aunt Matilda asking if we would like to spend our vacation out on her farm."

"We can't possibly accept her invitation, George. If we do, we'll have to ask her to visit us next winter."

"That will be all right. We can move into a two-room apartment in the fall, and then there won't be room for her."
