and draw your own conclusions!

II You will then have the Big Motive that made us do it! It's a Demonstration, a Show-down of Perry Judgment, Foresight and Courage! We obtained remarkable Results for our Friends, as well as for ourselves, in the first Intensified Value Sale of Clothing History last October. Then and there we began preparations for a Week of Intersified Values in October, 1916, such as would-surpass that occasion. And it was well we began so early! For, Clothing stores today are at their wits' ends to find anything for their customers comparable to the year-old values their money was able to buy!
4. That being the case, you can conceive the Magnitude of this Perry Achievement in which we spread before you for this One Week 3000 Suits at $\$ 15$, of fabrics such as were sold one year ago to make $\$ 20, \$ 22.50$ and $\$ 25$ Suits of Clothes! Blue serges, plain and mixed worsteds, flannels, cassimeres, cheviots that any store would be glad today to secure to sell in Suits at $\$ 20, \$ 22.50$ and $\$ 25$ and that we are able to pass on to you this weekbut for this One Week only-as

I The styles, the models, the tailoring, the fit of the Suits are all on a par with the high value of the woolens and worsteds in them. Their Perry label stands sponsor for that!

- I Remember, we are obliged to limit the sale of these Suits at $\$ 15$ to this one week only. Come six o'clock Saturday, should a single Suit remain,
its price thereafter will be what it is worth by all its price thereafter will be what it is worth by all
