How to Make a Calendar By MARKL HOFFMAN, James street.

By MARKL HOFFMAN, James street.

A calendar like this is easy to make and very nice to give father or mother for Christmas. First you set a postal card at any store for one cent. Get one that is ready to paint. Then get a half a yard of red ribbon or any color that your parents like; then get a little penny calendar, one ready to paste. Take your paints and paint the postal. Paste the calendar on the bottom of the postal. Either made or the the ribbon at the top, so that the calendar may he hims up.
