

GREAT "FAUST" FILM IS ALMOST FINISHED

California Company Puts Last Touches on Goethe Photoplay. New Dramas Coming

By the Photoplay Editor

With the release of "Intolerance," "Civilization," and "A Daughter of the Gods," the California Company has put the finishing touches on the big feature system, and the company has announced that the production of the new drama, "Faust," is well advanced. The picture is being made in the most complete manner, and it is expected that it will be released in the latter part of the year.

The scenario is by Captain Leslie T. Wheeler, author of "Neptune's Daughter," "The Universal-Annette Kellerman Feature," and "The Daughter of the Gods." The picture is being made in the most complete manner, and it is expected that it will be released in the latter part of the year.
