NEW YORK, Nov. 10.—The cotton mar-et this morning responded to disappoint-ing Liverpool cables, prices opening i to 16 oints net lower, the lats options being the mest. The underione, however, was teady throughout.

ere was some selling for Liverpool ac-t and a large supply came from Wall int and a large supply came from wais act, which some observers were inclined credit to the election result. However, demand was good important room oper-es, big commission houses and leading interests purchasing, and when the er months were reached the demand ex-ded the supply.

After the call there was general buying,

darch moving up 9 points, January 5 points and other months in proportion. Only a moderate amount of hedge selling sus reported abroad. However, the great-ut influence on the English market, it was taked, was the break of 50 points in Egyp-

The early advance carried the market hout 6 to 11 points above last night's clos-ing figures, with May ceiling at 19.97, or within 4 points of yesterday's best level. Liverpool was \$\$ good buyer, while there as rebuying by longs who had sold out sfore election, and support from trade in-

The advance, however, met considerable listing, while the demand seemed to taper and prices turned easier after 11 o'clock. It he market easilor after 11 o'clock. It he market easilor after 10 or 12 mis from the best. The decline was checked around 19.45 for mary, or about 10 points under last into closing figures, and prices ralled 3 19 points from the lowest late in the ming on covering and bull support.
