PENN-CORNELL GAME STAGED IN SEA OF MUD

By CHANDLER D. RICHTER. FRANKLIN FIELD, Philadelphia, Nov. 30.—Pennsylvania and Cornell played the final game of the season this afternoon on a field that was a sea of mud.

Coaches Sharpe and Folwell both insisted that it was an even bet, and predicted victory if the breaks were even.

The crowd was unusually slow to arrive at the field. As a rule, the stands are filled fifteen minutes before game time.

In the punting practice prior to the start of the game, Shiverick, Cornell's most touted punter, appeared to have a great deal of trouble getting the ball off.

He booted the ball 50 and 60 yards consistently, and it looked as if he might share the kicking burden with Shiverick.

Penn came on the field at 1:54 and was given a wonderful reception.

In the punting drill just before the game started, Howard Berry had wonderful distance.

HOLLWEG SETS PEACE DEMANDS

Tells Reichstag Existence and Future Security Must Be Guaranteed

READY ON THESE TERMS

BERLIN, Nov. 30.—Germany is ready for a peace which will guarantee her existence and her future—but since Germany's enemies are not yet desirous of peace, Germany will go confidently forward in war.

So declared the Imperial Chancellor, Theodor von Bethmann-Hollweg, in the Reichstag today, introducing the new bill for a national auxiliary service—the mobilization of civilians.

"The war continues with its destructive forces," the Chancellor declared. "Thus our enemies desire it. They are celebrating the last summer as a period of victory.

"God has helped us up to now and He will help us further." "The almost superhuman heroism of our troops, which cannot be expressed in words of thanks, and the clear conscience that we have as the first and only ones who are ready to end the war by a peace guaranteeing our existence and our future gives us a moral right to such confidence.

"But, gentlemen, this right ought not to make us forget our duty. Our enemies do not yet want peace. They have superior numbers at their command and almost the whole world delivers them war material."

"In this contingency," the Chancellor argued that it was necessary Germany do everything in her power to manufacture war material.

"Hands that are idle waste the enemy," he said. He explained that the bill had been discussed with the interested grades and in the Reichstag's main committee.

"On behalf of the confederated Governments," he declared, "I ask you to name in this great work which shall bring us new strength and shall guide us toward victory and peace."

CAMPOLUNG CAPTURED BY FALKENHAYN

Germans Occupy Strategic Railroad Center—Cut Foe's Retreat

MACKENSEN ADVANCES

Campolung, in northern Rumania, has been captured by the Austro-German army of General von Falkenhayn.

Campolung lies at the point where the Rumanian plain touches the southern range of the Transylvanian Alps. It lies at the terminus of a railway line and is eighty miles northwest of Bucharest.

The capture of Campolung was announced by the War Office today. The Russian offensive continues in full swing along the Carpathian Mountains, but the small local advantages gained were paid for with heavy losses.

The capture of 4500 Russo-Rumanian prisoners is reported. On the northern frontier of Rumania all resistance has been broken by the Germans south of Toerberg Pass and the road from that district into the interior of Rumania is now open.

On the southern frontier the army of the Danube continues its advance toward Bucharest.

The text of the official report follows: Army group of Archduke Josef in the wooded Carpathians and the Moldavian frontier the Russians have continued their attacks without obtaining any important results.

Captain von Bocke, of her Majesty's regiment of cuirassiers, reported the capture of seventeen Rumanian officers and 1200 men near Clouanesti. Ten cannons and three machine guns were taken also.

Army group of Field Marshal von Mackensen—the Danube army—continues its advance, fighting its way forward. During attacks against the Rumanians the Sievig-Hoelstein, Busckeburg and Bavarian reserve rifle regiments have captured forty-three officers, 2421 men, two heavy guns, thirty-six field guns, several small cannon and seven machine guns, as well as thirty-two ammunition carts.

On the front northwest of Monastir attempts by the enemy to advance failed. The Serbians, who have been

WIEGAND STARS IN ST. JOE'S WIN; 19-0

Scores Two and Engineers Another Touchdown Against Catholic High

DECIDES CATHOLIC TITLE

HOUSTON FIELD, Nov. 30.—St. Joseph's College won the Catholic school championship of this city this morning by defeating the Catholic High School eleven, 19 to 0.

The weight of the victor was such that it had little difficulty smashing its lighter opponent's line. The Purple and Gold was outweighed almost fifteen pounds to the man, but the players fought a hard, aggressive battle.

The first touchdown was scored at the start of the second period, when Wiegand, after a series of line smashes, crashed through right tackle for the score. A long forward pass, Wiegand to Burns, good for 25 yards, made the second score.

Line plunging, intermingled with several short forward passes over the third and last touchdowns. The Catholic High line made a valiant stand in the shadow of its goal posts, but the terrific line plunging of Wiegand and Gribben proved too much for them. The latter scored the touchdown on the fourth down.

A crowd of 5000 witnessed the game, the stands being packed long before play was started.

Only one penalty was inflicted during the game and St. Joseph was the culprit.

FIRST PERIOD Catholic High kicked off. It was a poor kick and stopped on St. Joe's 25-yard line. Gallagher punted to Catholic's 25-yard line. Unable to gain, Cunningham punted out of bounds on his 30-yard line. A forward pass by Dougherty went over the goal line for a touchdown. Catholic started from their 20-yard line. Brackston made 3 yards off tackle. Cunningham made 5 more on a fake kick. He

COLGATE ELEVEN CRUSHES BROWN

Powerful Providence Team Crumbles Before Battering of Hamilton Boys on Muddy Field

SCORE IN EVERY PERIOD

By United Press ANDREWS FIELD, Providence, R. I., Nov. 30.—Colgate overwhelmed the much-heralded Brown eleven today, 28 to 0. The Brunonians were powerless to cope with the shifty, driving Maroon attack, which swept down the field despite ankle-deep mud and a steady downpour of rain.

At every department of the game the brilliant Hamilton eleven outclassed the Brunonians. The Maroon attack slid off tackle for successive first downs, the Brown line-men being easily boxed.

Pollard, the dusky Brown star, failed to shine and was smothered every time he took the ball. The first Colgate touchdown came within five minutes after the whistle started the game and from then on Colgate persistently threatened the Brown goal.

Anderson, Spencer, West and Hubbell, who punted for Colgate, starred for the winners, while Hillhouse's punting was the one redeeming feature of the Brunonians' playing.

FIRST PERIOD

Horning kicked off for Colgate to Jemall on Brown's 10-yard line and he carried it back 13 yards.

Jemall made 2 yards on the first play. Hillhouse punted to Anderson on Colgate's 30-yard line, and he ran it back 19 yards. Spencer broke through left tackle for 8 yards. Spencer again broke loose and carried the ball to Brown's 45-yard line for a first down. Gillo got a yard through center. Spencer was stopped without gain.

Anderson made a successful pass to Gillo and it was first down on Brown's 22-yard line. He was tackled by Jemall. Anderson went around left end for 12 yards before he was forced out of bounds by Pollard on the 22-yard line. Gillo punted left guard for a 30-yard gain. Gillo fumbled, but it was recovered by Spencer. A forward pass hit the ground. Brown was

GOVERNOR WILL URGE SECURITY OF INSURANCE

Will Recommend Stringent Measures in Message to Legislature

PROBE SURE IF NEEDED

Governor Brumbaugh declared today he will urge the enactment of the most stringent insurance laws in his next message to the Legislature. The Governor will insist on the enactment of laws which will give full protection to every policyholder in Pennsylvania.

Governor Brumbaugh also will probably urge the Legislature to order a sweeping investigation of insurance conditions in the State. The proposed action of Governor Brumbaugh, together with the announcement that Mayor Smith would order an investigation of the policy insurance scandal in Philadelphia, caused a double sensation in official circles today, especially when it became known that Seth H. Whiteley had been named by another insurance man as the "mysterious philanthropist," who cleaned up approximately \$100,000 by insuring members of the Police Beneficiary Association in this city.

Should an investigation be conducted to ascertain the present business methods of Pennsylvania insurance companies, Governor Brumbaugh believes that Charles Evans Hughes or some Pennsylvanian of the latter's type would make an excellent inquirer.

DENIES POLITICS IN CASE Governor Brumbaugh, who today is at his home, 254 West Walnut lane, Germantown, denied that politics was behind the investigation into the affairs of the Pension Mutual Life Insurance Company and the Union Casualty Insurance Company.

The stand taken by State Insurance Commissioner J. Denny O'Neill to make a thorough inquiry, no matter who is implicated in the present State-wide insurance scandal, will be backed up by the Governor.

"If wish you would deny the stories that politics figures in the investigation now being conducted by Commissioner O'Neill," said Governor Brumbaugh, as he emphasized each word of his statement. "There is no politics in the present inquiry, but in justice to Mr. Wood, I wish to say that he will be treated fairly and just. He will receive the same fair treatment which I will receive."

CORNELL ROOTERS HERE; RAIN STOPS GREETING

Bear Mascot, Full of Pep, Ambles Along With Glee as Party Arrives From Ithaca

Rain prevented the usual hearty reception to Cornell rooters when they arrived at the Reading Terminal this morning. The rain shed was almost deserted, and the few spectators who were waiting for trains regarded the followers of the Ithaca eleven with cold, apathetic eyes.

The first section was composed of eleven cars, from which tumbled the Big Red soccer team, 225 undergrads, a band and the famous bear mascot. The bear was full of pep and ambled about the shed with glee; the band reserved its tingling tunes for the game this afternoon, while the students were openly confident of the ability of their favorites to trim Penn.

The second section arrived soon after the first, but the third was delayed until almost noon, by which time prospects for good weather conditions were improved, perhaps as courtesy to the thirty-five coaches, who had traveled from New York State to show their fanatical enthusiasm for their favorite team.

PENN LEADS CORNELL, 7-3, EARLY IN FIRST PERIOD

Penn scored a touchdown and Cornell a field goal early in the first period, making the score 7 to 3.

Cornell won the toss and decided to receive the kick-off. They defended the west goal and were favored by a slight wind. Captain Mathews kicked-off for Penn, but the ball traveled only 10 yards, Anderson, Cornell's right guard, falling on the ball. The Penn captain slipped as he was about to boot the ball. Mueller tried to cut outside Little, but was thrown without gain. Shiverick tried the other end, but Mathews tensed him for a 3-yard loss. Shiverick then made a splendid punt, which went out of bounds on Penn's 5-yard line.

Berry tried the right side of Cornell's line on a fake kick, but gained only two yards. The same play was tried again, and the Penn fullback was thrown without a gain, one of his own men colliding with him. Berry punted out of bounds on his own 35-yard line. Speed tried to cut through Henning's guard, but was stopped.

Miller made 3 yards on the next play through Little, but Hoffman could get only another yard. Shiverick dropped back to Penn's 40-yard line and kicked a goal from field. Cornell, 3; Penn, 0. Mathews made another short kick-off. Speed taking the ball on his 20-yard line and returning 5 yards. Shiverick punted to Bell, who caught the ball on his 35-yard line and dodged his way back for 10 yards. Berry smashed through a hole made by Henning for 14 yards. He had a clear field when Hoffman nailed him. He gained 3 more yards through the same spot and then hurried a forward pass to Light for 9 yards more, placing the ball on Cornell's 30-yard line. On a double pass, Derr to Berry, 3 yards more were gained. Hoffman nailed Berry on a wide end run. Bert Bell held the ball until Urquhart circled around the other end and took the ball on the run. Urquhart went over the line for a touchdown. Berry kicked the goal. Score, Penn, 7; Cornell, 3.

There was no score in the remainder of the period, which ended with the ball in Penn's possession on her own 35-yard line.

PITT AND STATE ARE CONFIDENT OF VICTORY

Powerful Western Pennsylvania Elevens Clash at Forbes Field

PITTSBURGH, Nov. 30.—Football enthusiasts from all parts of the Keystone State, from the neighboring States and, in fact, from all over the country today poured into Pittsburgh by trains, cars and automobiles for the annual football classic at Forbes Field this afternoon between the elevens representing University of Pittsburgh and State College. The hotels were all booked solid and all the reserve seats for the game were gone early. Indications were that the biggest crowd that ever attended a football game west of the Alleghenies will be in attendance when the referee's whistle starts the contest.
