Great Britain and France for safe-conduct Whereas the Allies expected to gain from to the United States for Count Tarnowski, Rumania's entrance into the war the open the new Austro-Hungarlan Ambassador, ing of the Dardanelles and, in consequence would receive favorable action in London a release of Russian and Rumanian wheat, and Paris. Von Falkenhayn's rapid successes now bring the Rumanian granary into Ger-many's hands. The Rumanian oil fields are still hefd by the Allies.

of Secret Formulas

and Paris. The State Department takes the firm po-sition that the right of nations to exchange ambassadors is as old as diplomacy itsuit and fully safeguarded by the principles and practices of international law. Officials have made it plain that they are not meta-ing any privilege, but are insisting upon inherent rights. To assume any other posi-tion, it is declared, would be tantamount to admitting that Great Britain and Pranes control the high seas and that the travel of other people upon it is subject to Britan and French approval. still heft by the Allies. Much is expected from Mackensen's crossing of the Danube, as control of this important river trade route brings relief to Germany's granaeles. During the first semester of 1016 steamers brought from the Balkans 86,000.000 bushels of grain. American reports that high Washing-ton officials compiled out of 2000 custom house involces valuable formulas by which the American chemical industry will be able to imitate German products are con-sidered by the German press as disclosing

The Paris and London Foreign Offices are expected to be influenced quite as much by the information forwarded to them by their embassies here as by the formal da-mands of the State Department. sidered by the German press as disclosing a highly unfair maneuver. That the Pres-ident has forbidden the publication of such nformation is greatly appreciated here. German and Austrian banks, assisted by their respective Governments, have founded

their respective tovernments, have founded a big central European sleeping and dining car company, monopolising in central Eu-rope a business hitherto managed by the International Company of Brussels. The railroads have sharply roduced the train service in the empire to save men and ceal cars and to facilitate military dis-contions. The restrictions imposed them

Both embasizes have sent back home long reports based upon the criticism of the attempted hold-up of Count Tarnowski, gleaned from American newspapers. They have told the Home Offices frankly that the attempt to distate who shall come to the United States has thoroughly incensed not only Washington officials, but the American public generally. positions. The restrictions imposed upon the railway service are partly made good by a greater use of water transportation. Should the Allied Governments continue to put obstacles in the way of Count Tar-nowski's passage, there is no doubt that the United States will send an American Vessel to bring him safely over the At-lantic, convoyed by a warship if necessary. The Government has refused to seize cigars, as the tobacco stocks for military purposes are sufficient.

The German cutput of steel in October was 1,423,535 tons, as compared with 1,393,186 in September. PARALYZED PHYSICIAN

VILLISTAS SWARMING **TOWARD U. S. BORDER**

Juarez Prepares to Defend Itself Against Advance of Outlaws

EL PASO, Tex., Nov. 30 .- The country etween Chihuahua City and the border is swarming with Villistas today, and tracks south of Juarez are being torn up by Carranzistas to delay Villa's expected dvance on the city.

Reports that three Americans were slain y the Villistas when they took Chihuahua City were insistent today, but lacked confirmation. Refugees continue to arrive at the border, but have brought no trustworthy ews concerning General Trevino's forces.

Tenaver, of Linestin, Pa., and Institute, of Okay Line, Pa., by the Ber, W. O. Louis

the embargo on food products proposed by Representative Fitzgerald, of New York, was expressed by Minority Leader Mann, of Illinois, and Representative Borland, of Missouri, who made a long though unsuccessful fight at the last session of Congress for an investigation of control of neat prices by the so-called "beef trust." The Republican leader declared that an lature. embargo for regulation of prices would in dicate a drift toward socialism, for Gov-ernment regulation of food prices would lead to Government regulation of many other things. Only an embargo for retal

the two days that the city-wide boycott has

been made in effect, and it is probable there will be further reduction before the two-week boycott has expired. Wholesalers will

lose thousands of dollars as a result of New York's indifference as to whether it had tur-key or chicken for its Thanksgiving dinner.

Many dealers will put their birds back into

RETAIL PRICES OF FOOD

charges and shrinkage.

from eggs.

latory purposes would be acceptable, he said, and for that there is no apparent need at this time. Mr. Borland proposes to combat the high

rices of food by an investigation of the ileged "food trust," either by the Federal Trade Commission or a congressional com-mittes. A resolution to be urged by Mr. Borland at the coming session of Congress will previde for an investigation of the cold storage plants and the extent to which they are used by speculators.

Retail prices of foods in the United States se a whole advanced three per cent from September 15 to October 15, making a siz-teen per cent increase for twelve months, as shown in reports compiled by the Bureau of Labor Statistics. The figures came from 725 retail dealers in forty-five principal industrial cities.

In the thirty days covered in the reports neats declined in price from one to six per cent, but all other articles given, except tos, coffee and rice, advanced from one per cent for chickens to six per cent for butter, bread and sugar, and eleven per cent for REFER

WISHBONE PLAYS PART IN FRIGAR'S THANKS DAY He Visits Fiancee and Joins Her in

Expressing Hope for Their Happiness

The wishbone, that curious part of the inrises's anatomy which is always sought by Thankagiving dinner guests, may play a part in the drama of Ellis D. Frigar, ark slayer, who was released last week \$10,000 ball by Judge Audenried. Frigar is spending Thanksgiving today

Frigar is spending Thanksgiving today ith his flancee, Miss Amanda Sykes, at her nome, 2232 North Park avenue. He will articipate in the Thanksgiving feast of he Syless family and will occupy a chair milde his fiances at the family board. If the wishbone fails to the lot of either Frigar or Miss Sykes, it is certain that they

the wishbone fails to the lot of either Prigar or Miss Sykes, it is certain that they will not forgo the opportunity to wish something good for their future and then pull at the two portions of the home. According to the legend attached to the wishbone, the one who gets the larger portion of the hone will have the wish. If Frigar is the lucky one, it will not be hard to guess what his wish will be. If Miss Sykes is victorious, it is cartain that abe will wish for a happy outcome of the senangiament resulting from the shooting and killing of Edward Boland. "It's great to be out this morning." Frigar said as he tucked the box of choco-iates in a side poriot of his overcoat. He looked almost wistfully at the Thenkegiving thromes which brushed by him. There were beinded turkey pur-singers hurrying along with birds wrap-ped in howse papes, and further up the singer the were football eminuties and is-publing, their way into the foyer of a sublet. There were football eminusiant dis-publics is mentiodes harpey biogities and response to your paper.

er how I saved my money for the day when collections on premiums became due collections on premitin WASHINGTON, Nov. 30,-Opposition to I can just imagine how pollcyholders would feel if they feit that their savings became maired."

The Governor in his interview said that has been giving the question of creating better insurance laws careful considera-tion and had decided to touch upon that feature in his measage to the next legis-

WILL URGE CORRECTIVES

"If our existing insurance laws are not

"If our existing insurance laws are not adequate and do not protect the man who buys insurance, I am certainly in favor of any enactment that will make his in-vestment safe." said the Governor. "My message to the legislature when it reconvenes will contain something on the question of protecting our citizens who invest their savings in insurance policies. "Don't you feel that in view of certain facts disclosed in the investigation of Com-missioner O'Neil into the affairs of two insurance companies licensed under the surance companies licensed under the aws of Pennsylvania, an investigation hould be made of insurance conditions

this State? "I have explicit faith in Commissioner O'Neil." replied the Governor. "He is a canable man, and I feel confident that his department is qualified to cope with the situation. But, should the facts warrant it, attaction. But, should the facts warrant it, I am in favor of asking the Legislature for such an investigation. I agree with Mr. Scarlet that such an investigation is in the province of the Legislature." "Don't you think that Charles Evans Hughes is the sort of a man to conduct such an investigation?" "I agree with Mr. Scarlet that Mr. Hughes would unquestionably qualify for

Hughes would unquestionably qualify for such an investigation. But in the State of Pennsylvania we have many eminent men who undoubtedly could also perform the same service. You must admit that we have many native sons in Pennsylvania pomens the ability to perform the kin-service for which Mr. Hughes is fitted."

Put Ban on Unhealthy Oysters ATLANTIC CITY, Nov. 30 .- An ordinance prohibiting the taking or using of ovsters or clams from nearby tidal waters has been introduced by Mayor Bacharach as head of the Health Bursau. The ordinance is designed to prevent the spread of isease through the use of shellfish taken from areas into which the resort sewage emptias, and will be strictly enforced. Hoatmen daily tong oysters in and about the Thoroughfare.

overed many pieces of silver which bore the initials of the McMichael family,

While they were at work. Fox awakened and saw the detectives. With a muttered oath he drew out a long knife from unde his pillow and, stumbling out of bed, made a feeble lunge at Walters. He was so weakened by narcotics, however, that he was quickly subdued and handcuffed.

CONFESSION REPORTED

The detectives testified that Fox and Comdico confeased to stealing the silverware, and told how they had sold a portion of it to Feinberg. Fox said he and Condico had seen the driver of the Union Transfer wagon bring the box from the Fidelity Trust Company, Third and Chestnut streets, and place it in the wagon. "Let's get that box," Fox is alleged to have said to Condico. Thay waited until

have said to Comdico. They waited until the driver left the wagen to make another call, and then they loaped to the seat, drove the wagen to Seventh and Sansom streets, transferred the box to another wagon and drove the silver into the Ten-Feinberg testified he thought that the

silverware was plated when he first purchased it.

became alarmed," he said, "when later I discovered that it was solid. The initials on the stuff got me worried, too. I was wondering how I could report the case to the police without getting in bad myself when I was arrested.

Miss McMichael is in Washington, but her former guardian, Mrs. Virginia Louise Deckert, widow of Hanry Deckert, identified the sliverware. The hearings were post-poned until next Wednesday to give Miss McMichael an opportunity to testify against Fox and Comdico.

ENDS LIFE BY GAS

Nothing to Be Thankful For, Old Man Commits Suicide

A man who felt he had nothing to be thankful for ended his life today while other members of the family were preparing a Thanksgiving feast for him.

He was Thomas Baker, sixty-five years id, of 4361 Fenn street. Mr. Baker had een ill for many months. Ho had conulted several physicians and none offer-

Today, when members of the family called him for breakfast, he failed to answer. They broke in the door of his bedroom and found a gas tube in his mouth. He was hurried to the Frankford Hospital out was dead before the ambulance arrived
