Reserve Board Objection Honored by French and Fritish Finance Authorities

NEW YORK, Dec. 1.—British and French from sale.
J. P. Morgan & Co. this afternoon issued

the following statement:

"We have been instructed by the British and French Governments to withdraw the treasury bills from sale. We have accordingly expressed to those institutions and investors which had already placed orders with us for these securities the wish to be relieved from obligation to deliver, and they have been seed convent to accorde.

have been good enough to accede.
"This action is taken because, as ex-plained by the British Chancellor of the Exchequer and by the French Minister of

Exchequer and by the French Minister of Pinanes, these government desire to show every regard to the Federal Reserve Board, governmental body, of which the Secretary of the Treasury and the Controller of the Currency are ex officio members.

"We may add that the sale in limited amounts of these treasury bills, payable in dollars in New York, had never been an essential part of the allied Governments financial plan, but has for some time been under consideration with a view to furnishing a credit medium that would accommodate the American banking demand for an instrument of short maturity, and of an instrument of short maturity, and of such limited volume that the Governments could always undertake o tlay down gold in New York sufficient to meet maturing

It was believed further that these bills would have furnished, at the end of the war, an excellent measure of protection to the American financial situation, inasmuch as these steadily maturing obligations of the foreign Governments would have tended to prevent heavy drafts of gold from this market."

SAYS BROTHER IS TOO FRIENDLY WITH WOMAN

Sister Asks Guardian for Wealthy and Elderly Bachelor

GREENSBURG, Pa., Dec. L - Emit Bischoff, a wealthy and elderly bachelor of Vandergrift, faces the possibility of a guardian over his property as the result of his acquaintance with Mrs. Laura Grace Collett, of Atlantic City. A petition has been filed by Bischoff's sister in the Westmoreland County courts asking that a guardian be appointed over her brother. The pelition avers that Mrs. Collett is 'an adventuress, a spiritualistic lecturer and a woman of much worldly experience."

Attorney Frank I. Gosser, of Pittsburgh, pen whom Bischoff and Mrs. Collett called to arrange the transfer of a large portion of the aged Blachoff's property to her, appointed a later day for them to appear at his office. In the meantime he used the tong-distance telephone to Atlantic City, where Mrs. Sophie Scheurer, a sister of Bischoff, resides. After considerable investigation the petition was filed asking for the guardianship.

A hearing will be held some time early n December. Hischoff is sixty-eight years old and Mrs. Collett is forty-two.
