In Which We Can and Do Offer the Greatest Values for the Least Money.
Here Are Three Reasons That Should Convince the Most Skeptical

When others were thinking of their other lines of merchandise, we were devoting all our time and energy in buying up the choicest pelts before the prices started to advance.

As manufacturers and designers, we were able to make up our coats and sets during the summer months when fur labor was at its lowest cost.

We sell direct to you—no middleman's profit to pay, and furthermore, we are satisfied with smallest profits to gain a larger volume of sales.
