**First Noonday Report  
on Woman's Medical Fund**

**LARGEST** single contribution—\$5000, anonymous, through Dr. Caroline M. Furness.  
Champion team for today, most money—Team No. 12, Dr. Alice W. Tallant, captain, \$1005.  
Champion team for the day, largest number of contributions—Team No. 17, Mrs. Henry S. Corson, captain.  
Total contributions for the day—\$8179, from seventy-six different persons.  
Next report will be given at 12 o'clock tomorrow at luncheon in the clover room at the Bellevue-Stratford.  
Speaker of the occasion—Walter M. Wood, general secretary of the Y. M. C. A., who is working on a million-dollar campaign.

Special \$10,000 funds, each for particular purposes, are to be raised by workers to get the \$200,000 fund for the Woman's Medical College of Pennsylvania, in order to secure the necessary endowment in the coming two weeks' campaign, opened yesterday by 200 women.

Women interested in the success of the hospital campaign are working with different denominations to raise the \$10,000 funds, so that medical missionaries for different churches can be educated at the Woman's Medical College under the auspices of the churches themselves and the young women sent to foreign fields by the churches. Dr. Gertrude Walker is working to get the Episcopalians of the city to co-operate and raise a fund, which is to be a part of the \$200,000 fund. That part would be reserved for use of Episcopalian young women in medicine. Miss Susan Lodge is working with the Methodists; Dr. Ellen C. Potter and Dr. Ella B. Everett are concentrating on the Baptists, and Dr. Marie L. Bauer and Miss Edith E. Fales are canvassing the Lutherans.

Then, too, workers in the campaign are aiming to raise a \$10,000 fund to the memory of Anne Preston, the first woman dean of the college and one of the first women medical deans in the United States. A special team will be appointed to secure this fund. The women physicians who have gone forth from the Woman's Medical College to various parts of the country feel that some honor should be done to this pioneer woman physician and will make a special effort to make the fund a reality.  
Another special fund for which the women will work is the Hiram Corson Fund. Hiram Corson was one of the first men to champion the cause of women in the field of medicine.

Strawbridge & Clothier's New and Larger Piano Store, on the Fifth Floor, West

**Pleasure and Satisfaction Assured if You Buy  
Your Christmas Piano or Player-Piano  
At the Strawbridge & Clothier Piano Store**

IT WOULD seem almost superfluous to urge upon men or women of cultivated tastes, or those whose ambition is to surround themselves and their families with every attainable refining influence, the desirability of owning a Piano or Player-Piano. The love of music is instinctive, and the love of good music can be cultivated in every normal human being. Better still, with the marvelous self-playing mechanism, an appreciative understanding of good music may be self-taught. And what delight in acquiring this knowledge!

IT IS SAFE to assume, then, that there is a strong desire in almost every home to own a good instrument. If there is already an antiquated or discordant piano in the home, the desire for a new one is all the stronger. If there is no pianist in the home, the desire will doubtless be centred upon a Player-Piano. If there be a skilled player, or children to be taught, a regular Piano may be preferred.  
It is safe to say, there is not a single good reason why there should not be a good Piano in YOUR HOME.

**Among the Twelve Reliable Instruments Here You Will  
Find the One Which Exactly Meets Your Requirements  
at the Price You Want to Pay, and Upon Easy Terms**

THESE PIANOS and Player-Pianos have been carefully selected after the most exacting tests, and the purchaser of any one of them has our assurance that it is of worthy quality, well constructed of selected materials, by skilled mechanics guided by musical experts. While some are finer than others, each one is fully guaranteed to give satisfactory service. The lowest priced is of true and pleasing tone, and so built as to retain its tonal quality. You have our assurance, also, that every transaction shall be straightforward, every promise kept, every customer treated

fairly and courteously to the closing of the contract. Our terms are liberal—none could be more so; and we believe our customers enjoy certain advantages not afforded elsewhere.

NOW is the time to think of the Christmas Piano for YOUR home. Why not come to this newly enlarged Piano Store to-day and SEE and HEAR all these instruments? Then decide which best meets your requirements. You'll never regret it—and you'll give life-long pleasure to those at home!

**Be Sure to Have a  
Piano in the Home  
This Christmas!**

Why deny your family this rare pleasure, when it is so easily acquired? If you prefer to pay cash for a Piano or Player-Piano, you may do so, of course; but if your money is tied up, or drawing interest, or comes in the form of salary or wages, it is entirely businesslike and just as commendable to buy a Piano as to buy a house on convenient monthly payments. Look at the prices and terms. Think how easy it will be to pay \$6.00, \$7.00, \$8.00, \$10.00 or \$15.00 a month—depending upon the price of the instrument you desire to buy. Bear in mind, they are all good, each one thoroughly reliable, backed by the strongest guarantee.
