PATRIOTIC-ORDER SONS OF AMERICA

Sixty-ninth Anniversary of a National Organization Achieving Success on Loyal Nativity

The Patricito Order Sons of America has passed from its sixty-sinth year of history into its seventisth year. This organization has had more great achievements to its credit than perhaps any other similar mo-ciefy in the history of the country. The order was first organized in Philadelphia. December 10, 1817, and was then known as the Junior Sons of America, and was composed of young men under the age of iwenty-one years. When the Civil War broke out a general voluntary enlistment of the members in practical exemplifica-tion of the teachings of the order. After the is auspenalon of the order. After the is now firmly established in nearly every State in the nation, so that today the camp-free of this oid patriotic organization are burning brightly and its standard waving timphant in all quark of the land. and the institution he controls have earned an enviable international fame among the leaders of a great and world-wide industry. Yet the man and his institution are not known to Philadelphians.

The name of this man and a vividly interesting account of his work-his labors materially affect Philadelphia's prosperity-appear in the

Public Ledger Annual **Review of Business** Published Monday, Jan. 1, 1917

The Review should be read by every business man. It is a brief yet powerful record of the achievements of American commerce in the year now closing.

The local situation receives special attention. Philadelphia bankers and prominent commercial men review the high-lights of the city's trade and financial activities and give a highly interesting forecast of the prospects for the coming year.
