King Albert's New Year Greeting to President

Mr. Wilson, President of the United States of America, In offering you, Mr. President, my most sincere wishes for the new year, I am happy to avail myself of this occasion to thank the great American nation and its President for the sympathy which it has shown my country. The generous and efficient assistance of North America not only inspired in the Belgians a great gratitude, but it gives them the hope that the United States will always remain a powerful protector of Belgium.

DEMOCRATS REVERSE G.O.P. MAJORITY IN COLORADO

Will Have One to Spare in Senate and Thirteen in House

DENVER, Col., Jan. 2.—Reversing Republican control of the year ago, Democrats have a majority of one in the senate and at least thirteen in the House of the Colorado Legislature, which convened here today. There will be one Democrat member of the Senate and possibly a Democrat member in the House after a contest is decided.

The chief fight at this session probably will center around proposed amendments to the industrial law, labor objects to certain clauses of the law, especially the one compelling thirty days' notice before a strike can be called.

Prohibition legislation will also hold an important place. The "dry" law may be strengthened by bills prohibiting shipment of liquor into the state and making it a criminal offense to have liquor in one's possession.

Raise \$14,000 for War Sufferers Camden has contributed nearly \$14,000 to the war sufferers. Of this sum \$1200 was raised by the Jews of Camden and was forwarded to the American Jewish Relief Committee of New York.

War to Last Drop of Blood, Teutons Cry

Continued from Page One The Allies will be exhausted under the strain of preparation and maintenance. In many quarters it is held that to be realistic to America the Allies should proceed even more carefully than they have in the preparation of their offensive. Some disapproval was evident in the choice of words employed in the reply to Germany. It is the fact that the English government has the French original translated a number of words. The Manchester Guardian suggests the text of the reply in English appears to indicate the reply was translated. The text in French, translated into English, and then translated from French into English.

DOWNFALL OF THE OLD BRITISH CABINET

The figure '23' on the cab refers to the old war cabinet of twenty-three members, which was criticized as having been too cumbersome.

WASHINGTON, D. C., Jan. 2.—There will be several changes in the new cabinet of President Wilson. These changes will come about as the President has no desire of seeing his present cabinet disturbed. While there have been formal and official announcements from time to time that there would be no changes, according to those well informed in Democratic circles these voluntary resignations will take place before next March.

The very name of Goodrich pledges it to the best service a fabric tire can give—style, comfort, freedom from tire trouble, and mileage.

The buyer takes no risk with it. It must return the high service Goodrich demands of it, or Goodrich Fair Treatment steps in, and squares the account.

Only the user himself can prevent a Goodrich tire from rounding out the best dollar for dollar service—by his failure to bring back a Goodrich tire that has failed him.
