The Young Lady Across the Way

The young lady across the way says she considers the wireless the greatest invention of the age, and just think of all the lives that have been saved at sea by sending out the F. O. B. call.

Random Ravings

I stole a kiss the other night;
My conscience hurt, alack!
I think I'll have to go tonight
And put the darn thing back.

And so I wonder why
They still persist in saying that
He is a wreckless guy.
