# MONEY-LENDING RATES

**Financial Briefs** 

NEW YORK The facture of the non-market at the resumption of husiness t day was a reduction of  $b_4 \oplus b_2$  per cent line loans, bringing the level  $\lambda_2$  per con-inder the quotations of the corresponding reck in 1915. This comparison is mind-scanse in that year low records for money 

Call money today loaned and renewed at  $24_k$  per cent. The overlage in the week ending January 9, 1915, was  $24_k$  per cent and the low 2 per cent.

and the low 2 per cent. Time money is quoted 1, per cent lower on both for sixty and ninety days at 3 and 35 for cent, and the making rates were reduced 1, per cent for those periods to 31, per cent. For four months the both 4, per cent lower at 34, per cent, and the asking figure is reduced an equal fraction to 34, per cent. Trading rates for 5% and as months are also 3, mer cent lower at

cent six months and  $1/4 \approx 1/2$  per cent for more than the year. In the week ended January 10, 1914, the call money average was  $2^{4}$  per cent, and the rate quoted 2465 per cent, Sixty-day money was quoted at 4 per cent, ninety-day money  $4^{4}$   $4^{4}$  per cent, aix months  $4^{5}$  $4^{4}$   $4^{5}$  per cent and more than the year 5 per cent. per cent

CHICAGO-The turn of the year found CHICAGO—The turn of the year found rates of interest in the western meney mar-ket showing a firmer tendency, with que-tations 'z of 1 per cent higher in both commercial paper and over the counter. Horrowing is of limited volume, however, especially from manufacturing and indus-trial lines. The uncertainty in the inter-national situation is expected to cause a period of quietude until something definite is known as to the prohable outcome of

period of unletude until something definite is known as to the probable outcome of peace negotiations. Bank clearings at St. Louis and Kan-ran City made new high records for the first few days of the new year, re-flecting granter business activity. The de-mand for funds continues fair with rates of discount 1 to 5 per cent on time loans. Few offerings of connervial paper are made, the usual rates of 1 to 1/2 per cent pre-values.

PHILADELPHIA — Call. 5 per cent. Time, 4½%5 per cent. Commercial paper, three to six months, 4%5 per cent.

LONDON-Money on coll was 1% pence teday, unchanged. The rate of discount in the open market for short bills was 5575% pence and for three-month bills 51% 653% pency, unchanged.
