A FORUM OF WOMEN'S INTERESTS-ADVICE ON BEAUTY-CARE OF THE HOME

DIVERSITY OF TASTES MOST FORTUNATE THING FOR US

Why Do We Not All Fall in Love With the Same Man or in Other Ways Care for the Same Things, Given Similar Environment?

TSNT R fortunate that we do not all monsess the same tastes? Bo often when a man marries his friends declathey do not know "what he sees in her." Probably not. Her friends, nine times out of ten, are also wondering "what she sees in him."

4 .

But the fact remains, they do see R. whatever the quality is that attracts.

You, yourself, with a shrug of your shoulders, have often declared that "he (the finnce under discussion) is very nice -but wouldn't be my choice," now,

haven't you? Which, after all, is the most fortunate thing in the world, If we were all dis- in Datallie or Tchekov, symphony con posed to fall madly in love with the menother girls choose, either we or they, and were taught, and short shie by side during most probably all of us, would have a very unhappy time of It.

Of course there are always a few men that in no matter which direction out who cause many women to weave root tastes may take us we are all "sisters unmances, who have a way with them that der the skin," and it is the same seeking proves irresistible to members of the after enjoyment that takes Mory to the opposite sex. Men like Oliver Osborne or. Wax, for example. But most men con- hall. The thing for us to do is to cultitent themselves with fower trophies of vate a sympathetic imagination, to try to the chase.

This diversity of tastes is a peculiar habits; in other words, to be consistently thing, among persons who have been tolerant.

THE WOMAN'S EXCHANGE

Letters and questions submitted to this department must be written on one side of the paper and signed with the same of the writer. Special querter like those given below are invited. It is understand that the editor dues not necessarily indexes the All minimum brations for this denortherns should be addressed sentiments expressed. as follows: THE WOMAN'S EXCHANGE, Evening Ledger, Philadelphia, Pa.

The winner of todar's prize is Miss E. H. Oakford, of 5231 Sprace street, whose letter appeared in resterdar's paper

HOUSEHOLD HINTS

A great help in preserving the cleanliner and frequencies of her apparel throughout ong and dusty railway journey is a blac lik kimono-coat which was designed by lover woman. Any one can make this garment herself. It takes but a few yards of black China alls, cut kimono fashion this may be used as a kimono in the morn-

This may be used as a kimono in the morn-ing, and also may be wern during the day over the shirtwaist or suit or one-piece frieds. It is cool, comfortable and easy to allo on and off, and really looks well. Out of the same piece of black slik, cut a long oblong piece for a hat bag. Some-times the porter may bring you a paper hag-sometimes he will not. But your own black slik hat hag takes little space in your splitcuse, and is a pure protection own black sink hit bac takes the protection for your bat if you remove it on the train. There are on the market now some new hangers for coats and wraps designed especially for the traveler. They collapse into a very small space, readily unfold, and

at about twenty-five cents. If small children accompany you on your urney you will be f you provide ahead of time for their con fort and diversion. The wonder of looking out of the windows wears off after a short time, and then little Mary and Johnny be-gin to get querulous or tired and cross. Of course, you can't take a bag of favorite nd diversion. The wonder of looking yourse, you can't take a rea a few things toys with you, but there are a few things that take up little space and prove an end-less source of diversion for little people in a long trip.

A small pad, one or two pencils, a box of A small pad, one of two percent, a box of rayons and small sensors are part of the hildren's equipment for a journoy. There is lots of fun with a magasine and sciesors or young persons. If you spread but a arge newspaper so that papers won't be usedowide all over the car, luttle Johnny large newspaper so that papers won't be distributed all over the car, little Johnny and Mary can sulp pictures out of the mag-azines without discomfort to any one and with great joy to themselves. The crayon and pad they can use to copy pictures or write letters on will keep them pleasantly absorbed for hours. If haby goes with you on a long trip
