WEST PHILADELPHIA

ON THE EAST SIDE OF 54TH ST. at Spring-field ave. (1300 block south), and just one block north of Chester ave., is located a beautiful row of brand new two-story, porch-front homes.

These houses are without doubt the greatest homes to be found ANYWHERE in Philadelphia today, and when you add to this fact that, owing to most unusual circumstances and through the financial misfortunes of others, they are to be sold at a price which will result in immediate sales to every one who sees or hears of them—and then some again and the fact that I have been able to arrange the easiest kind of easy terms so that ANY ONE can own an ideal HOME even if he has only a couple of hundred dollars with balance as per your purse, JUST HOW LONG DO YOU THINK THESE HOUSES WILL LAST? You think there may be some for a week or so, because it is winter time and comfortable indoors, but it will pay you to be wise and come out even if a blizzard is blowing.

Transportation is ideal—car No. 13 on Walnut st. crosses 54th st. at Chester ave. Also they are most conveniently located on the Chestnut line to Darby and will particularly appeal to those living in Chester and Darby Creek and looking for a convenient and beautiful home in Philadelphia.

We will have a sample house open day and evening until all are sold, and our representative will be on the premises. The sample house may not be quite complete, for we cannot finish them fast enough to meet the demand, but we will finish one FOR YOU AS SOON AS YOU BUY.

They are perfect two-story homes in every detail, but useless to try to describe them. Come out and see for yourself.

SCRAPPLE

THE YOUNG LADY ACROSS THE WAY

We asked the young lady across the way if the young gentleman who calls on her so frequently was a man of affairs and she said, Oh, yes, she guessed he went every place he was invited.

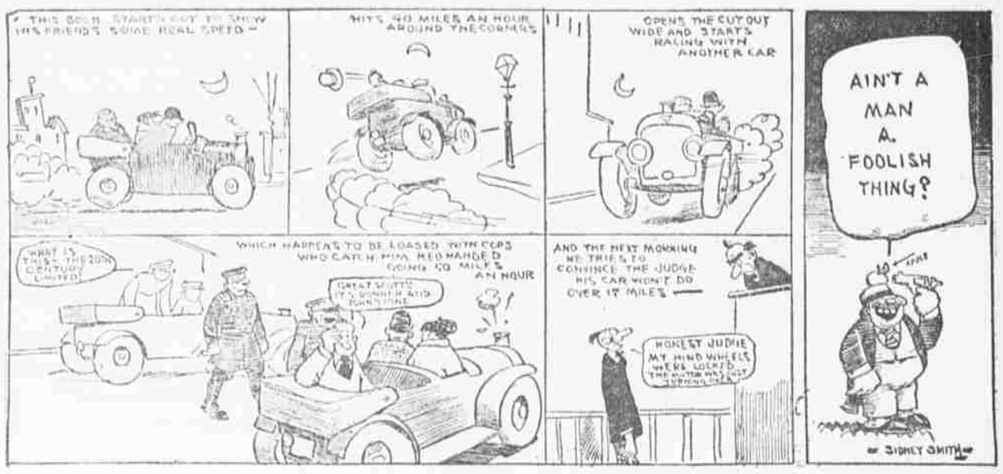
THE PADDED CELL

Tamed

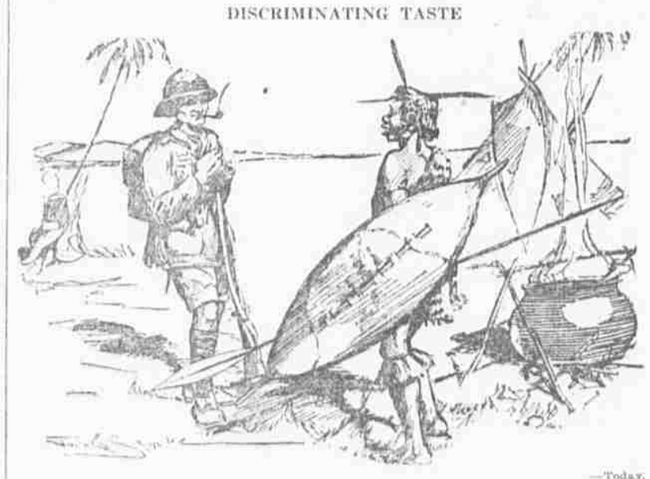
"Anybody try to sell you gold bricks while you was to town?"

"No," replied Farmer Corntossel. "Got them city fellers tamed, we have. They're so busy lookin' out for cold-storage eggs and imitation butter they ain't got time to think up no more tricks on us innocent, unsuspectin' farmers."

AIN'T A MAN A FOOLISH THING?



DISCRIMINATING TASTE



—Today.

Tommy—Well, Sambo, who do you like best, an Englishman or a German? Native (thinking of his dinner) German. Sar. 'E great deal fat, and 'eap more tender.

No Peace for Him

Willie was out walking with his mother when she thought she saw a boy on the other side of the street making faces at her darling.

"Willie," asked mother, "is that horrid boy making faces at you?"

"He is," replied Willie, giving his coat a tug. "Now, mother, don't start any peace talk—you just hold my coat for about five minutes."

How Did They?

"Truly, am I the first girl you ever kissed?"

"You are, my darling, and it makes me happy to hear you say I am the first man who ever kissed you."

"If I am the first, how does it happen you do it so expertly?"

"And if I am the first, how do you know whether I do it expertly or not?"
