EVENING LEDGER-PHILADELPHIA, TUESDAY, JANUARY 30, 1917

CROWN PRINCE WILHELM

The heir to the German throne has been changed greatly by the war.

He has become much sadder and more sedate, according to Karl H. von Wiegand.

one drive and the French troops the in call up his resolution, but it is constally understood this is userely in order that he

Activity is reported all along the west- may make a lon-ern front from the North Sea to the Swiss arran in seneral

The heaviest fighting has taken time on the Somme and Verdun fronts, but there have been vigorous trench raids on the Franco-Belgian frontier, in Artols, on the Aisne River, in Champagne, in the Woevre district, in the Vosges and in Upper Abates

Operations are being carried out on the eastern front similar to those in the west ern arona of war, inompile storres are cold weather the Russians are stucking and carrying out reconnoitering encounter along the line. Severe fighting has been on the lower ranges of the Carpathiana, o the borders of Bukowing and Moldavin The second great off., t of the British in Mesopotamina to cut through to Bagind is now in full awing. Dispatches from these (the British haso) coported today that heavy fighting is in progress on boll, sole of the Tigris River and it is believed that the British are aiming to holate the Turk ish garrison at Kut-el-Amara. The Brit-ish troops on the southern bank of the

There is having fewer observations of the sheech at this time. The making better progress than those on the northern bank. An official war office statement issued Monday night said that about two and one-half miles of Turkish trenches had been captured Heavy issues were inflicted upon the Turks. "I must say" said M. Suronoff "that is cannot see from feading the speech law which is by the means new. It is im-nosable to understand a peace without victory it is quite impossible to realize the return to the strength of the strength of the strength of the trenches had been captured theory issues which is by the means new. It is im-tionally the strength of the strength of the to the strength of the strength of the trenches had been captured theory issues to the strength of the strength of the to the strength of the strength of the the strength of the strength of the to the strength of the strength of the to the strength of the the the strength of the the the strength of the the the st

If the British are able to capture and hold Bagdad it will put an end to the Ger-man dream of a trade route from Berlin to the Persian Gulf. Much of the line has been constructed and surveys have been made for all of it. Bagdad is about 110 milles northwest of the present lighting.

TEUTON ATTACK BROKEN AT VERDUN, PARIS SAYS

PARIS Jan. 30. TARIS, Jan 30. Infantry fire stopped a German attack on a French trench on the region of Hull 304 today, the official statement declared. The War office reported intermittent, can-nomaling on the remainder of the front and three energy alguance brought down in air combats.

Unsuccessful evening attacks by French forces against positions on Height 344 won

last night by German troops were reported in today's official Statement. Elsewhere on the weitern front the state-ment described reconsolitating engagements in the Artois sector and a temporarily lively artillery combat between the Aner-
