By ROBERT W. MAXWELL

By ROBERT W. MAXWERE JIMMY DOYLE is back again after an absence of four months. He is happy to be back and satisfied to spend the re-mainder of his days in the shadow of In-dependences Hall, where he can show the proper reverence to the cradie of liberty and salute the American flag any old time acceleration of the shadow of the salute the American flag any old time for the salute the American flag any old time and salute the American flag any old time

and salute the American flag any old time be feels like it. And Jimmy is doing con-iderable saluting these days. Who is Jimmy Doyle? Well, I didn't now, either, until he wandered into the office the other day and told his story. At office the other day and told his story. At is the other day and told his story. At office the other day and told his story. At office the other day and told his story. At office the other day and told his story. At office the other day and told his story. At office the other day and told his story. At office the other day and told his story. At office the other day and told his story and the he can go back only no far as Pitte. he can go back only ns far as Pittsthe home of his parents, who are of a extraction. I do not know their burgh. nome of his parents, who are of raction. I do not know their t Jimmy changed his monicker names. But Jimmy changed his adopted his a couple of years ago when he adopted his present calling, where a name means every-thing.

Introducing Jimmy Doyle

Doyle is a boxer who meets all comers weighing from 112 to 118 pounds. He boxed ground Pittsburgh, drifted to Philadelphia, where business was not so brisk, and, fear-ing that he would pass the rest of his days in dieness, sought forsign fields and thereas in idleness, sought foreign fields, and thereby hange this tale. angs this tale. Jimmy had adventures—many of them.

T stuck around for some time with noth-ing to do until next month, when I decided to try out the game on the other side. I figured that it couldn't be worse, and if I had to starve to death it would be better to perish among strangers. You see, I didn't want to cause any hard feelings among the promoters. Then I thought that all of the able-bodied men had gone to war, and if there were any boxers left they would be ame and crippled and old and I could beat them without half trying.

Sails on the Merion

Sails on the Merion "I wandered down to the Port Richmond docks, with nothing but a big-league appe-lite and my newspaper clippings about my perion 1 saw the steamship Merion lashed to the dock, and, when told that it was about to sail for Scotland, bravely ap-proached the captain and asked him for a to The captain and asked him for a proached the captain and asked him for a two the captain seemed glad to see me, and twas signed as second steward and store-keeper. I was introduced to the crew and met two other Philadelphia boxers, Danny Harris, a colored boy, who lives at Sixth and Lombard streets, and Dan McClosky, whose home is at Twentieth and Reed greets. The others were British, and the hip formerly a passenger versel, now was hip, formerly a passenger vessel, now was British tramp, carrying contraband to the

"We set sail on September 25 and 1 enoyed the trip from the start.

sailors Are Worried

pering at the sea as if they were looking for something. The laughter ccased and trave solemn discussions took its place. At light the huge ship was as silent as a tomb, all of the lights were out and we slowly blked our way through the darkness like

JIMMY DOYLE

Boxer who survived submarine K. O. on freezing night sea thinks nothing of it. He licked four British boxers.

Jummy had adventures many of them. He braved the perils of the briney deep, per-smally investigated the interior of an Eng-lish army prison, went through the mental agontes of a condemned sny about to be short period of two months.' "I found Phily a closed shop, so far as my whether army and is a services were concerned." narrated Statemark and is a services were concerned." narrated "I found Phily a closed shop, so far as my miuable services were concerned," narrated with a the situation was serious. "Suddenly there came a puff of smoke from the tower and a shell screamed across from the tower and the stopped the bust as soon as postable and we were riding the waves when the 1'-55 came close to us the tower and to

. "The Dutchmen have us dead to rights."

smilling, saluted and offered his compliments, and the captain, grave-faced and silent, re-turned the salute. He knew that argument was useless and wanted it over with as soon as possible. The crew, some of them bare-footed, others with nothing to protect them but their thin shirts, were told to get into the lifeboats. While they were getting them

hi of the lights were out and we slowly bicked our way through the darkness like with the sea strange road. This seemed weird and unusual to me at the sea strange road this seemed weird and unusual to me at the sea and watching the life out, mystelf, and it was a good thing that the tool on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the taughed and said that he hoped we would like everybody on the island. He wished the island the were taughed and take two American taughed and take two American the case of Socilard It was 64.

Ship's Crew Freezes in Snow-"Write Up My Fights and Go Easy on

Fights and Go Easy on the Submarines" Since the second states of the sec

"We had two small boats, which were ample for the thirty six men from the ship. They were lashed together and we all took turns at the oars. We kept pulling and pulling steering our currse by a small com-pass and set out for the coast of Scotland nearly 200 miles away.
