A Binful of Fuel Big

If gas is the fuel you use you need fear no coal shortage. We are prepared to deliver an unfailing, unlimited supply regardless of market or industrial conditions-

And at No Increase in Price

In most Philadelphia homes gas is used for cooking, ironing and heating water the year round. It should be so used in every home.

The Heating **Problem** Solved

Now that coal is hard to get at any price, the Gas Heating Stove comes to the rescue with its economical service. You can keep a little heat in the furnace-just enough to take the chill off the house-and have abundant heat in the sitting room, dining room or bathroom by using Gas Heating Stoves. Light the gas in the heating stove in the room you wish to use and enjoy its comfort just as long as needed, then turn off the gas and all expense stops.

THIS IS MR. TILBURY **Reformed Globe Trotter**

Before he settled down in charge of the LEDGER CENTRAL TRAVEL BUREAU

he spent several years getting acquainted with this old world of ours. He rambled leisurely through Europe, then "crossed the pond" and roved through the West Indies, Central and South America. The next four years were spent with a tourist agency. In charge of personally conducted tours, he visited every important

city in this country and Canada. Now he is at Ledger Central, ready to give YOU the benefit of his wide and varied experience in avoiding travel trou-bles. Just tell him where you want to go. Mr. Tilbury will plan your itinerary, his intimate knowledge of railroad and steamship lines enabling him to select the quickest and most, comfortable route, avoiding unnecessary "lay-overs" or changes.

He will buy your tickets and Pullman berths, help you select hotels and secure reservations, attend to the checking of your baggage straight through to your destination. In short, he will relieve you of all the vexatious details that mar the pleasure of travel.
